Dear

Sir, I have the honor to state that the land and house taxes were revised in the current year agreeably to the wishes of the Government, which came to a close very recently. Hence no collection was made. Vigorous steps are being taken for the collection and I shall see that 90 per cent of the taxes are collected.

I have the honor to be

Dem and, Collection and Balance
Statement of the Mannargudi
Municipality for December 1896

Collectors Remarks on the D. C. B. Statement
of the Mannargudi Municipality for the month
of December 1896.

The Chairman's Explanation that owing
to revision of House and Land Registers, the
demands for the year have not been collected
is not satisfactory, and but for the Collections
from Tolls, the administration of the Municipality
must suffer a good deal for want of funds.
The Chairman must proceed with the
Collection, notwithstanding the revision
of the Registers and show good results at
the end of the year, which is only two months
and half from this date.
