For Orders

It seems to be unnecessary that the agreement with the Lawrence Asylum Press should be on stamped paper, so long as the press continues to be under the management of the present Committee. But if the press should happen to be leased, the agreement with the lessee should certainly be on stamped paper.

SUBJECT.

Informing that the work of printing forms to Municipalities, was transferred to the Lawrence Asylum Press owing to numerous complaints received against the discharge of the work by the V. N. Indlee Press.

I say it is necessary in either case

As long as the L.A. Press remains in its present footing

From

OFF. ACCOUNTANT-GENERAL

TO THE GOVERNMENT OF MADRAS,

To

THE Secretary to Government, Local and Municipal
Department, Fort-Saint-George.

SIR,

With reference to Government Order No. 2041 M. — Miscellaneous, dated the 13th December 1892 laying down that all municipal account forms should be printed at a central Press in Madras under my supervision, I have the honor to inform you that the work has hitherto been done by the V. N. Jubilee Press. Many complaints have, however, reached me for some time past as to the unsatisfactory manner in which the work was being turned out, and on one occasion when the matter was pressed home, it was found that the quality of paper used for certain forms was inferior to that agreed upon and charged for. I have therefore been in communication with several other firms, and have, after careful comparison of rates &c., decided to give the contract to the Lawrence Asylum Press.

2. In this connection I may mention that no stamped agreement

agreement has hitherto been taken from the Jubilee Press as to the rates for paper, printing and binding, with penal clauses for inferior work &c. The want of this has lately been felt; and I proposed therefore obtaining one from the Lawrence Asylum Press in a form somewhat similar to that appended (to be kindly returned), which was entered into by the Press with the Madras Railway company. I feel some doubt however whether a stamped agreement is necessary between a government officer, and a semi-government institution like the Lawrence Asylum Press, and I shall be glad therefore if government will favor me with orders on the point. I may mention in conclusion that I understand a proposal has been made for the Press to be leased out for a term of years. If this is sanctioned, it will certainly become necessary to execute an agreement with the lessee.

I have the honor to be,

Sir,

your obedient servant,

Edgarson

Offg. Accountant-General.
