Enclosure.

SIR,

Referring to the Budget Estimate of the Anakapalle Municipality for 1897-98, I have the honor to state that the allotment for ensuamancy is 29 percent of the estimated current receipts, against Rs 26.7 percent sanctioned for the current year. The budget provides for the employment of a Sanitary Inspector on Rs 15. This seems a retrograde step. In the current year's budget, the Council proposed to engage the services of a qualified Sanitary Inspector on Rs 30 per mensem, and applied to me for a nomination. But, as the salary offered was not attractive and as no horse allowance was made, I was not able to comply with the Council's request. I informed the Chairman, however, of the difficulty and

and suggested the raising of the
 pay to Rs 35 plus the usual horse allow-
 -ance (Rs 15). This it has not yet
 done, and instead it has resolved
 to employ a sometime vaccinator as its
 Sanitary Inspector. I would respectfully
 ask Government to disallow the Com-
 -cils' proposal, and to insist on a duly
 qualified man being employed on a
 salary of Rs 35 + Rs 15 horse allowance.

I have the honor to be
 Sir
 Your most obedt servt.
