Municipal Council,
Cuddalore.

The Honorable A. J. Munnell,

By. Chief Secretary to Government,
Madras.

Sir,

With reference to G.O., dated 5 August
last, No. 1299 Dr., I have the honor to submit
the following remarks on the points calling for report.
Para 3(1). The result of the revision of the house tax
assessments will be noted in my report for the
current year. The fair registers relating to the
tax on buildings are being written up, and after
this is done, they will have to be tabulated, a
work which would naturally occupy some time
to complete in order to arrive at the actual
increases obtained by the revision. The land tax
bills for the first 6 months of the current year
having been prepared and issued by Bill
collectors for collection before the receipt of the
above G.O., the directions given therein will be

to inspect the back yards of houses lent also to
 detect and bring to notice cases of persons
 who failed to get themselves or their children
 vaccinated with the view to action being taken
 against them under Section 138 (2) of the Act.
 His attention to this work was particularly
 directed to the scattered and distant villages
 including those situated beyond the reach
 of water at Old Town which are not accessible
 except by means of boats. In view of the small
 amount that was required for
 payment to this individual, in the shape of
 Commission, was so small, it was deemed
 unnecessary to trouble Government for sanction
 for this trifling expenditure.

I have the honor to be,
 Sir,
 Your most obedient servant,
 J. Shakhellari
