Municipal Budget.

Reviewing the Chidambaram — for 1897–98.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following papers :—

From M.R.Ry. G. RAMASWAMI AIYAR Avargal, Chairman, Municipal Council, Chidambaram, to the Secretary to Government (through the Head Assistant Collector and Collector of South Arcot), dated 28th December 1896, No. 495.

I have the honour to submit herewith the budget estimate of the Chidambaram Municipality for 1897–98. A copy of the proceedings of the council passing the budget is herein enclosed.

2. In pursuance of resolution, No. 18, of the proceedings of the council passed at its meeting held on the 5th instant, a sub-committee consisting of five councillors was formed for framing the budget for 1897–98. This sub-committee met on the 17th idem and prepared and submitted revised estimates of receipts and charges for 1896–97 and the estimates for 1897–98 with a brief report explaining the variations between the revised estimate for 1896–97 and the budget estimate for 1897–98. This report and the estimates were placed before the council at its meeting held on the 22nd instant.

3. The sub-committee's report, a copy of which is herewith submitted, explains the variations between the revised estimate for 1896–97 and the budget for 1897–98, and I shall briefly state here below the modifications proposed by the council in passing the budget.

Receipts.

4. *Private Scavenging Fees.*—The amount under this item was raised to Rs. 670 as the council resolved to increase the rate from As. 6 to As. 9 per quarter from the next official year.

Expenditure.

5. *Grant 1, Public Works*—(1) *New Works*—(*b*) *Buildings.*—An additional sum of Rs. 300 was provided under this head for the construction of a latrine.

(*d*) *Water-supply.*—Rs. 250 provided under this head is intended for digging two wells—one near Aiyankulam and the other in Paracheri—as suggested by the Sanitary Commissioner in his inspection notes.

(3) *Establishment.*—It is proposed to entertain a qualified overseer on Rs. 15 per mensem to mainly look after the public works duties of this municipality, as the system of employing this officer partly on office work and partly on public works duties during the current year has not worked well (*vide* G.O., No. 402 M., dated 11th March 1896).

6. *Grant 3, Sanitation and Medical Services*—(1) *Hospitals and Dispensaries.*—It has been resolved to entertain an additional compounder on Rs. 7 per mensem, as recommended by the civil apothecary, to which the attention of the council was drawn by Government in reviewing the last administration report of this municipality.

(4) *Registration of Births and Deaths.*—The council did not approve of the recommendation of the sub-committee to increase the pay of the registrar of births and deaths from Rs. 10 to Rs. 12 per mensem.

(5) *Conservancy—Road-cleaning and Road-watering*—(*a*) (i) *Establishment.*—The council has resolved to increase the pay of the toties from Rs. 5 to Rs. 6 per mensem a head and increase the number from sixteen to eighteen partly to meet the recommendation of the District Medical and Sanitary Officer, Cuddalore.

(*b*) *Private Scavenging.*—It has also been resolved to increase the number of toties for private scavenging service from five to seven and pay them at Rs. 6 per mensem, and employ an additional maistri on Rs. 6 per mensem, as it is found impossible for one man to supervise efficiently the work of these toties in the whole town.

7. *Grant 5*—(*a*) *General Establishment.*—The provision of Rs. 894 under this head shows a decrease of Rs. 26 as compared with the revised estimate as the council has resolved to employ a clerk on Rs. 12 per mensem in lieu of one on Rs. 15 sanctioned in G.O., No. 879 M., dated 23rd May 1896, as a separate officer has been resolved to be entertained to look after the Public Works duties as stated in paragraph 5 *supra.*

8. The total expenditure under all the grants is anticipated to amount to Rupees 23,910 and the receipts, including the opening balance, to Rs. 25,880, leaving a closing balance of Rs. 1,970, which is about 8·5 per cent. of the entire receipts.

9. The proposition statement for the revision of establishments adverted to above is also herewith forwarded.

Forwarded.

2. This should have been addressed to the Secretary to Government, Local and Municipal Department.

3. Considering the small sum spent by the municipality on public works, the salary of Rs. 15 proposed to be given to the overseer seems to be sufficient, especially as the responsibility of passing works is not left to him, the usual practice being to ask one or more members of the council to check-measure completed works.

(Signed) S. W. G. I. MACIVER,
Ag. Head Assistant Collector.

11*th January* 1897.

Submitted.

2. The provision for "Communications" appears inadequate, considering the state of the roads in the municipality. In the budget for last year, Rs. 3,000 were provided for re-metalling Ammápéttai road and other roads besides the cost of maintenance of other metalled roads. The work does not appear to have been done and no provision has been made for it in the present budget.

3. A sum of Rs. 500 was provided in the last year's budget for constructing a permanent vegetable market. The work does not appear to have been carried out. In the present budget, Rs. 1,000 are provided for the market. The necessity for doubling the estimate has not been explained.

4. In the proposition statement, the necessity for an additional teacher on Rs. 6 is said to be explained in the covering letter, which, however, is silent on the subject.

5. The necessity for the provision of Rs. 640 under "Sundries and Contingencies", Grant 3, (1) (*d*), as against Rs. 380, the budget provision of 1896–97, and Rs. 361–8–11, actuals of 1895–96, has not been explained.

6. *Cholera and Festival Charges.*—The provision for these is not adequate; cholera is of frequent occurrence in this municipality, and the tanks and wells require to be much more thoroughly protected against pollution, especially during festival times. The temple attracts large numbers of people and derives considerable income by selling tickets to devotees who wish to worship at the time of the abishegam. The temple authorities might well be called upon to contribute towards the expenses of the festivals by which they benefit so largely.

7. The letter is not docketed in the manner required by G.O., No. 1372 L., dated 3rd August 1896.

(Signed) A. E. C. STUART,
Collector.

15*th January* 1897.

From the Members of the Budget Sub-Committee, Chidambaram, to the Chairman, Municipal Council, Chidambaram, dated 19th December 1896.

We, the members of the sub-committee appointed to frame the budget for 1897–98 in pursuance of resolution, No. 18, of the proceedings of the councillors passed at their meeting held on the 5th instant, have the honour to inform you that we met on the 17th instant for the purpose. M.R.Ry. K. Varahachariyar, one of the members of the sub-committee, did not attend the meeting.

2. We prepared the revised estimate for the current year, and the principal variations in the receipts and charges between the budget and revised estimates are briefly explained in column 7 of the latter.

3. According to the revised estimate, the opening balance for the current year amounted to Rs. 8,730, against Rs. 4,390 estimated. The receipts and expenditure for the current year are anticipated to amount to Rs. 22,860 and Rs. 29,400, respectively, leaving a closing balance of Rs. 2,190, which has been adopted as the opening balance for the ensuing year.

4. We shall briefly explain the variations in several items of receipts and charges in the budget for 1897–98 as compared with the revised estimate.

Receipts.

5. *Taxes on Arts.*—The sum of Rs. 3,000 entered under this head is in excess of the sum shown in the revised estimate by Rs. 500, as the sub-committee is of opinion that this amount can be realized by the revision of the registers during the next official year.

6. *Taxes on Buildings.*— The sub-committee expects a similar increase under this item in the next revision of the house-tax registers.

7. *Revenue derived from Municipal Property and Powers apart from Taxation*—(*a*) (iii) *Avenue Receipts.*—The sum of Rs. 450 entered under this item shows a decrease of Rs. 170 as compared with the revised estimate, as the figure shown in the latter statement includes a sum of Rs. 220 credited from deposits.

(*f*) (i) *Income from Markets.*—The sum of Rs. 650 under this head is in excess of the amount shown in the revised estimate by Rs. 130 owing to the credit taken for the receipts from Kothaval chavadi bazaar.

(*g*) *Other Fees*—(ii) *License Fees.*—The sum of Rs. 500 entered under this head shows a falling off of Rs. 300 as compared with the revised estimate, as the sub-committee thinks that the receipts on account of erection of pavements will be absolutely nothing owing to the decision of the council not to grant permission for the erection of pavements till the question of removal of encroachments is decided.

8. *Grants and Contributions*—(*b*) *From Local Boards*—(ii) *Medical.*—The District Medical and Sanitary Officer, South Arcot, having recommended an expenditure of Rs. 3,820 on account of maintenance of the local hospital, a moiety of the expenditure is expected from the District Board, South Arcot.

9. *Miscellaneous*—(*a*) *Recoveries on account of Services rendered to Private Individuals*—(i) *Private Scavenging.*—The sub-committee anticipates an increase of Rs. 50 under this item as a greater number of houses will be brought under the private scavenging system during the next official year.

10. The total receipts under all the items, as detailed in Statement I, are anticipated to amount to Rs. 25,660, including the opening balance of Rs. 2,190.

Expenditure.

11. *Grant 1, Public Works*—(1) *New Works*—(*a*) *Communications.*—Rs. 1,600 under this item are allotted for completing the metalling of the East Car street, a portion of which will be metalled during the current year, and for the construction of a few tunnels in places where they are absolutely needed.

(*b*) *Buildings.*—Of Rs. 1,100 under this item, Rs. 1,000 are set apart for the construction of a vegetable market and Rs. 100 for the purchase of moveable iron dust-bins to replace those masonry ones which are out of order.

(2) *Repairs*—(*a*) *Communications.*—The sum of Rs. 1,100 under this item is intended for the maintenance of the metalled roads and other streets and lanes.

(*d*) *Water-supply.*—Rs. 110 under this item will be utilized for the repair of a few wells which need repairs.

(3) *Establishment.*—Rs. 760 under this item is intended for an overseer on Rs. 25, a maistri on Rs. 8 and six mile-coolies on Rs. 5 each per mensem. The appointment of a qualified overseer is recommended as suggested by Government in their proceedings reviewing the last administration report.

The total expenditure under Grant 1, as detailed in Statement II, is anticipated to amount to Rs. 4,910 against Rs. 11,370 shown in the revised estimate.

12. *Grant 2, Education.*—A sum of Rs. 2,780 has been provided under this grant as recommended by the Educational authorities, the increase occurring under "(2) Municipal schools—(ii) On salary-result system", owing to the provision made for an additional teacher on Rs. 6 per mensem to the municipal Hindustani school.

13. *Grant 3, Sanitation and Medical Services*—(1) *Hospitals and Dispensaries.*—The provision of Rs. 3,820 under this head is made in accordance with the recommendation of the District Medical and Sanitary Officer, South Arcot.

(2) and (3) Provisions under "Contributions to Provincial funds" and "Vaccination" call for no remarks, as they are the same as those in the revised estimate.

(4) *Registration of Births and Deaths.*—The provision of Rs. 150 under this head is in excess of that shown in the revised estimate by Rs. 20 owing to the recommendation of the sub-committee to increase the pay of the registrar of births and deaths from Rs. 10 to Rs. 12 per mensem, as the appointment requires a competent hand for whom the salary of Rs. 10 is considered too low.

(5) *Conservancy—Road-cleaning and Road-watering*—(*a*) (i) *Establishment.*—The provision of Rs. 3,170 under this head is in excess of that in the revised estimate by Rs. 240 on account of provision made in the budget for the entertainment of four additional toties on Rs. 5 each per mensem to meet the recommendation of the District Medical and Sanitary Officer, South Arcot.

(*b*) *Private Scavenging*—(i) *Establishment.*—Rs. 490 under this head is in excess of that in the revised estimate by Rs. 120 owing to the proposed entertainment of two additional toties for private scavenging service on account of anticipated increase in the number of houses to be benefited by private scavenging service.

(*c*) *Cholera and Festival Charges.*—Rs. 1,500 has been provided under this head, though the District Medical and Sanitary Officer recommended that Rs. 2,000 should be provided under this head. The total expenditure under Grant 3 is thus anticipated to amount to Rs. 11,700 against Rs. 10,560 of the revised estimate.

14. *Grant 4, Lighting and Miscellaneous Municipal Services.*—The provision of Rs. 2,550 under this grant, being the same as that in the revised estimate, does not call for special remarks.

15. *Grant 5*—(*a*) *General Establishment.*—The provision of Rs. 894 under this head shows a decrease of Rs. 26 as compared with the revised estimate owing to the entertainment of a clerk on Rs. 12, in lieu of one on Rs. 15 whose entertainment was sanctioned in G.O., No. 879 M., dated 23rd May 1896, as the sub-committee recommends the entertainment of a qualified overseer on Rs. 25 to prepare plan, estimate, &c., and to look after the public works duties.

The other items of expenditure under this grant call for no special remarks.

The total expenditure under this grant is anticipated to amount to Rs. 1,750 against Rs. 1,770 of the revised estimate.

16. The total expenditure under all the grants, as detailed above, is anticipated to amount to Rs. 23,660 against Rs. 2,94,000 of the revised estimate, leaving a balance of Rs. 2,000, which is about 8·5 per cent. of the entire receipts.

From the Members of the Budget Sub-Committee, Chidambaram, to the Chairman, Municipal Council, Chidambaram, dated 19th December 1896.

16. The total expenditure under all the grants, as detailed above, is anticipated to amount to Rs. 23,660 against Rs. 2,94,000 of the revised estimate, leaving a balance of Rs. 2,000, which is about 8·5 per cent. of the entire receipts.

From the Honourable Mr. D. DUNCAN, M.A., D.Sc., LL.D., Director of Public Instruction, to the Secretary to Government, Local and Municipal Department, dated Madras, 14th January 1897, No. 330.

Referring to the budget estimate of the Chidambaram Municipality for 1897–98, I have the honour to state that the provision made therein for Education is sufficient and may be accepted. The net expenditure proposed on Education is Rs. 2,700 (2,780—80) or about 15 per cent. of the estimated income of the municipality from taxation.

From Surgeon-Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Secretary to Government, Local and Municipal Department, dated Madras, 23rd January 1897, No. 24.

I have the honour to state that the provision made in Grant 3 of the budget estimate of the Chidambaram Municipality for the year 1897–98 is sufficient.

2. The provision made for the entertainment of an additional compounder on Rs. 7 per mensem appears necessary.

From Surgeon-Lieutenant-Colonel W. G. KING, M.B., C.M., D.P.H., Sanitary Commissioner for Madras, to the Secretary to Government, Local and Municipal Department, dated Camp, Gazulpalli, 15th February 1897, No. 381-S.

Adverting to the budget estimate of the Chidambaram Municipality for 1897–98, I have the honour to state that the assignment made for conservancy, though 29·5 per cent. of the current receipts or 5·3 per cent. in excess of the sanctioned grant for 1896–97, is inadequate for actual requirements, as already pointed out in my letter, No. 162-S., dated 27th January 1896, recorded in G.O., No. 402 M., dated 11th March 1896. The vaccinal grant calls for no notice.

2. A provision of Rs. 1,760 is made under Grant 1 for carrying out the sanitary works described in Statement II-A.

ORDER—No. 439 M., dated 8th March 1897.

REVISED ESTIMATE FOR 1896–97.

2. The current receipts and charges are now estimated at Rs. 22,860 and Rs. 29,400, respectively, against Rs. 22,510 and Rs. 25,290 anticipated in the sanctioned budget, the increase in the charges occurring chiefly under Grants 1 and 3. The collections under the tax on lands, and the expenditure on New works—Communications and Buildings and on Water-supply and Repairs—Communications during the first eight months of the year were far from satisfactory. The contribution for the central office establishments will be raised from Rs. 120 to Rs. 150, with reference to G.O., No. 2391 L., dated 17th December 1896. The balance to be carried forward to the ensuing year's budget will then be Rs. 2,160.

BUDGET ESTIMATE FOR 1897–98.

3. *Receipts.*—The receipts for the ensuing year are put down at Rs. 23,690 against Rs. 22,860 in the revised estimate, the increase appearing chiefly under the taxes on arts and buildings.

4. *Charges.*—(1) The probable charges are entered as Rs. 23,910, against Rupees 29,430 in the revised estimate, the decrease, which occurs mainly under Grant 1, being partly counterbalanced by an increase under Grant 3.

(2) *Grant 1.*—The omission noticed in paragraph 2 of the Collector's endorsement should be explained and the explanation required in paragraph 3 of his endorsement should be furnished at an early date. The entertainment of a separate overseer on Rs. 15, proposed in paragraph 5 (3) of the Chairman's letter, is sanctioned.

(3) *Grant 2.*—The entertainment of an additional teacher on Rs. 6 for the municipal Hindustani school, which appears from the proposition statement to be contemplated and to which reference should have been made in the Chairman's letter, cannot be approved as the necessity of it has not been explained. In this connection, the Chairman's attention is drawn to paragraph 4 of the Collector's endorsement. It is observed that the net expenditure on education is Rs. 2,700 and not Rs. 2,710 as stated by the Director in his letter read above.

(4) *Grant 3.*—The omission pointed out in paragraph 5 of the Collector's endorsement should be supplied. The entertainment of an additional compounder on Rs. 7, referred to in paragraph 6 of the Chairman's letter, is sanctioned. The additions to, and alterations in, the conservancy and private scavenging establishments proposed in paragraph 6 are sanctioned. The council's attention is drawn to the Collector's remarks in paragraph 6 of his endorsement.

(5) *Grant 5.*—The council's proposal to reduce the pay of one of the clerks on Rs. 15 in the municipal office to Rs. 12 is approved. The contribution for the central office establishments will be raised from Rs. 120 to Rs. 247, or Rs. 250 in round figures, with reference to G.O., No. 2391 L., dated 17th December 1896.

5. The budget, as revised by Government, closes with a balance of Rs. 1,880, or 7·9 per cent. of the estimated receipts.

6. The Chairman's attention is drawn to paragraph 2 of the Head Assistant Collector's, and paragraph 7 of the Collector's, endorsements.

Municipal Budget.

Reviewing the Chidambaram — for 1897–98.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following papers :—

From M.R.Ry. RAMASWAMI AIYAR Avargal, Chairman, Municipal Council, Chidambaram, to the Secretary to Government (through the Head Assistant Collector and Collector of South Arcot), dated 28th December 1896, No. 495.

I have the honour to submit herewith the budget estimate of the Chidambaram Municipality for 1897–98. A copy of the proceedings of the council passing the budget is herein enclosed.

2. In pursuance of resolution, No. 18, of the proceedings of the council passed at its meeting held on the 5th instant, a sub-committee consisting of five councillors was formed for framing the budget for 1897–98. This sub-committee met on the 17th idem and prepared and submitted revised estimates of receipts and charges for 1896–97 and the estimates for 1897–98 with a brief report explaining the variations between the revised estimate for 1896–97 and the budget estimate for 1897–98. This report and the estimates were placed before the council at its meeting held on the 22nd instant.

3. The sub-committee's report, a copy of which is herewith submitted, explains the variations between the revised estimate for 1896–97 and the budget for 1897–98, and I shall briefly state here below the modifications proposed by the council in passing the budget.

Receipts.

4. *Private Scavenging Fees.*—The amount under this item was raised to Rs. 670 as the council resolved to increase the rate from As. 6 to As. 9 per quarter from the next official year.

Expenditure.

5. *Grant 1, Public Works*—(1) *New Works*—(*b*) *Buildings.*—An additional sum of Rs. 300 was provided under this head for the construction of a latrine.

(*d*) *Water-supply.*—Rs. 250 provided under this head is intended for digging two wells—one near Aiyankulam and the other in Paracheri—as suggested by the Sanitary Commissioner in his inspection notes.

(3) *Establishment.*—It is proposed to entertain a qualified overseer on Rs. 15 per mensem to mainly look after the public works duties of this municipality, as the system of employing this officer partly on office work and partly on public works duties during the current year has not worked well (*vide* G.O., No. 402 M., dated 11th March 1896).

6. *Grant 3, Sanitation and Medical Services*—(1) *Hospitals and Dispensaries.*—It has been resolved to entertain an additional compounder on Rs. 7 per mensem, as recommended by the civil apothecary, to which the attention of the council was drawn by Government in reviewing the last administration report of this municipality.

(4) *Registration of Births and Deaths.*—The council did not approve of the recommendation of the sub-committee to increase the pay of the registrar of births and deaths from Rs. 10 to Rs. 12 per mensem.

(5) *Conservancy— Road-cleaning and Road-watering*—(*a*) (i) *Establishment.*—The council has resolved to increase the pay of the toties from Rs. 5 to Rs. 6 per mensem a head and increase the number from sixteen to eighteen partly to meet the recommendation of the District Medical and Sanitary Officer, Cuddalore.

(*b*) *Private Scavenging.*—It has also been resolved to increase the number of toties for private scavenging service from five to seven and pay them at Rs. 6 per mensem, and employ an additional maistri on Rs. 6 per mensem, as it is found impossible for one man to supervise efficiently the work of these toties in the whole town.

7. *Grant 5—(a) General Establishment.*—The provision of Rs. 894 under this head shows a decrease of Rs. 26 as compared with the revised estimate as the council has resolved to employ a clerk on Rs. 12 per mensem in lieu of one on Rs. 15 sanctioned in G.O., No. 879 M., dated 23rd May 1896, as a separate officer has been resolved to be entertained to look after the Public Works duties as stated in paragraph 5 *supra.*

8. The total expenditure under all the grants is anticipated to amount to Rupees 23,910 and the receipts, including the opening balance, to Rs. 25,880, leaving a closing balance of Rs. 1,970, which is about 8·5 per cent. of the entire receipts.

9. The proposition statement for the revision of establishments adverted to above is also herewith forwarded.

Forwarded.

2. This should have been addressed to the Secretary to Government, Local and Municipal Department.

3. Considering the small sum spent by the municipality on public works, the salary of Rs. 15 proposed to be given to the overseer seems to be sufficient, especially as the responsibility of passing works is not left to him, the usual practice being to ask one or more members of the council to check-measure completed works.

(Signed) S. W. G. I. MACIVER,
Ag. Head Assistant Collector.
11*th January* 1897.

Submitted.

2. The provision for "Communications" appears inadequate, considering the state of the roads in the municipality. In the budget for last year, Rs. 3,000 were provided for re-metalling Ammápéttai road and other roads besides the cost of maintenance of other metalled roads. The work does not appear to have been done and no provision has been made for it in the present budget.

3. A sum of Rs. 500 was provided in the last year's budget for constructing a permanent vegetable market. The work does not appear to have been carried out. In the present budget, Rs. 1,000 are provided for the market. The necessity for doubling the estimate has not been explained.

4. In the proposition statement, the necessity for an additional teacher on Rs. 6 is said to be explained in the covering letter, which, however, is silent on the subject.

5. The necessity for the provision of Rs. 640 under "Sundries and Contingencies", Grant 3, (1) (*d*), as against Rs. 380, the budget provision of 1896–97, and Rs. 361–8–11, actuals of 1895–96, has not been explained.

6. *Cholera and Festival Charges.*—The provision for these is not adequate; cholera is of frequent occurrence in this municipality, and the tanks and wells require to be much more thoroughly protected against pollution, especially during festival times. The temple attracts large numbers of people and derives considerable income by selling tickets to devotees who wish to worship at the time of the abishegam. The temple authorities might well be called upon to contribute towards the expenses of the festivals by which they benefit so largely.

7. The letter is not docketed in the manner required by G.O., No. 1372 L., dated 3rd August 1896.

(Signed) A. E. C. STUART,
Collector.
15*th January* 1897.

From the Honourable Mr. D. DUNCAN, M.A., D.Sc., LL.D., Director of Public Instruction, to the Secretary to Government, Local and Municipal Department, dated Madras, 14th January 1897, No. 330.

Referring to the budget estimate of the Chidambaram Municipality for 1897–98, I have the honour to state that the provision made therein for Education is sufficient and may be accepted. The net expenditure proposed on Education is Rs. 2,700 (2,780—80) or about 15 per cent. of the estimated income of the municipality from taxation.

From the Members of the Budget Sub-Committee, Chidambaram, to the Chairman, Municipal Council, Chidambaram, dated 19th December 1896.

We, the members of the sub-committee appointed to frame the budget for 1897–98 in pursuance of resolution, No. 18, of the proceedings of the councillors passed at their meeting held on the 5th instant, have the honour to inform you that we met on the 17th instant for the purpose. M.R.Ry. K. Vanahacharriar, one of the members of the sub-committee, did not attend the meeting.

2. We prepared the revised estimate for the current year, and the principal variations in the receipts and charges between the budget and revised estimates are briefly explained in column 7 of the latter.

3. According to the revised estimate, the opening balance for the current year amounted to Rs. 8,730, against Rs. 4,390 estimated. The receipts and expenditure for the current year are anticipated to amount to Rs. 22,860 and Rs. 29,400, respectively, leaving a closing balance of Rs. 2,190, which has been adopted as the opening balance for the ensuing year.

4. We shall briefly explain the variations in several items of receipts and charges in the budget for 1897–98 as compared with the revised estimate.

Receipts.

5. *Taxes on Arts.*—The sum of Rs. 3,000 entered under this head is in excess of the sum shown in the revised estimate by Rs. 500, as the sub-committee is of opinion that this amount can be realized by the revision of the registers during the next official year.

6. *Taxes on Buildings.*—The sub-committee expects a similar increase under this item in the next revision of the house-tax registers.

7. *Revenue derived from Municipal Property and Powers apart from Taxation*—(*a*) (iii) *Avenue Receipts.*—The sum of Rs. 450 entered under this item shows a decrease of Rs. 170 as compared with the revised estimate, as the figure shown in the latter statement includes a sum of Rs. 220 credited from deposits.

(*f*) (i) *Income from Markets.*—The sum of Rs. 650 under this head is in excess of the amount shown in the revised estimate by Rs. 130 owing to the credit taken for the receipts from Kothaval chavady bazaar.

(*g*) *Other Fees*—(ii) *License Fees.*—The sum of Rs. 500 entered under this head shows a falling off of Rs. 300 as compared with the revised estimate, as the sub-committee thinks that the receipts on account of erection of pavements will be absolutely nothing owing to the decision of the council not to grant permission for the erection of pavements till the question of removal of encroachments is decided.

8. *Grants and Contributions*—(*b*) *From Local Boards*—(ii) *Medical.*—The District Medical and Sanitary Officer, South Arcot, having recommended an expenditure of Rs. 3,820 on account of maintenance of the local hospital, a moiety of the expenditure is expected from the District Board, South Arcot.

9. *Miscellaneous*—(*a*) *Recoveries on account of Services rendered to Private Individuals*—(i) *Private Scavenging.*—The sub-committee anticipates an increase of Rs. 50 under this item as a greater number of houses will be brought under the private scavenging system during the next official year.

10. The total receipts under all the items, as detailed in Statement I, are anticipated to amount to Rs. 25,660, including the opening balance of Rs. 2,190.

Expenditure.

11. *Grant 1, Public Works*—(1) *New Works*—(*a*) *Communications.*—Rs. 1,600 under this item are allotted for completing the metalling of the East Car street, a portion of which will be metalled during the current year, and for the construction of a few tunnels in places where they are absolutely needed.

(*b*) *Buildings.*—Of Rs. 1,100 under this item, Rs. 1,000 are set apart for the construction of a vegetable market and Rs. 100 for the purchase of moveable iron dust-bins to replace those masonry ones which are out of order.

(2) *Repairs*—(*a*) *Communications.*—The sum of Rs. 1,100 under this item is intended for the maintenance of the metalled roads and other streets and lanes.

(*d*) *Water-supply.*—Rs. 110 under this item will be utilized for the repair of a few wells which need repairs.

(3) *Establishment.*—Rs. 760 under this item is intended for an overseer on Rs. 25, a maistry on Rs. 8 and six mile-coolies on Rs. 5 each per mensem. The appointment of a qualified overseer is recommended as suggested by Government in their proceedings reviewing the last administration report.

The total expenditure under Grant 1, as detailed in Statement II, is anticipated to amount to Rs. 4,910 against Rs. 11,370 shown in the revised estimate.

12. *Grant 2, Education.*—A sum of Rs. 2,780 has been provided under this grant as recommended by the Educational authorities, the increase occurring under "(2) Municipal schools—(ii) On salary-results system", owing to the provision made for an additional teacher on Rs. 6 per mensem to the municipal Hindustani school.

13. *Grant 3, Sanitation and Medical Services*—(1) *Hospitals and Dispensaries.*—The provision of Rs. 3,820 under this head is made in accordance with the recommendation of the District Medical and Sanitary Officer, South Arcot.

(2) and (3) Provisions under "Contributions to Provincial funds" and "Vaccination" call for no remarks, as they are the same as those in the revised estimate.

(4) *Registration of Births and Deaths.*—The provision of Rs. 150 under this head is in excess of that shown in the revised estimate by Rs. 20 owing to the recommendation of the sub-committee to increase the pay of the registrar of births and deaths from Rs. 10 to Rs. 12 per mensem, as the appointment requires a competent hand for whom the salary of Rs. 10 is considered too low.

(5) *Conservancy—Road-cleaning and Road-watering*—(*a*) (i) *Establishment.*—The provision of Rs. 3,170 under this head is in excess of that in the revised estimate by Rs. 240 on account of provision made in the budget for the entertainment of four additional toties on Rs. 5 each per mensem to meet the recommendation of the District Medical and Sanitary Officer, South Arcot.

(*b*) *Private Scavenging*—(i) *Establishment.*—Rs. 490 under this head is in excess of that in the revised estimate by Rs. 120 owing to the proposed entertainment of two additional toties for private scavenging service on account of anticipated increase in the number of houses to be benefited by private scavenging service.

(*c*) *Cholera and Festival Charges.*—Rs. 1,500 has been provided under this head, though the District Medical and Sanitary Officer recommended that Rs. 2,000 should be provided under this head. The total expenditure under Grant 3 is thus anticipated to amount to Rs. 11,700 against Rs. 10,560 of the revised estimate.

14. *Grant 4, Lighting and Miscellaneous Municipal Services.*—The provision of Rs. 2,550 under this grant, being the same as that in the revised estimate, does not call for special remarks.

15. *Grant 5—(a) General Establishment.*—The provision of Rs. 894 under this head shows a decrease of Rs. 26 as compared with the revised estimate owing to the entertainment of a clerk on Rs. 12, in lieu of one on Rs. 15 whose entertainment was

sanctioned in G.O., No. 879 M., dated 23rd May 1896, as the sub-committee recommends the entertainment of a qualified overseer on Rs. 25 to prepare plan, estimate, &c., and to look after the public works duties.

The other items of expenditure under this grant call for no special remarks.

The total expenditure under this grant is anticipated to amount to Rs. 1,720 against Rs. 1,770 of the revised estimate.

16. The total expenditure under all the grants, as detailed above, is anticipated to amount to Rs. 23,660 against Rs. 2,94,000 of the revised estimate, leaving a balance of Rs. 2,000, which is about 8·5 per cent. of the entire receipts.

From Surgeon-Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Secretary to Government, Local and Municipal Department, dated Madras, 23rd January 1897, No. 24.

I have the honour to state that the provision made in Grant 3 of the budget estimate of the Chidambaram Municipality for the year 1897–98 is sufficient.

2. The provision made for the entertainment of an additional compounder on Rs. 7 per mensem appears necessary.

From Surgeon-Lieutenant-Colonel W. G. KING, M.B., C.M., D.P.H., Sanitary Commissioner for Madras, to the Secretary to Government, Local and Municipal Department, dated Camp, Gazulpalli, 15th February 1897, No. 381-S.

Adverting to the budget estimate of the Chidambaram Municipality for 1897–98, I have the honour to state that the assignment made for conservancy, though 29·5 per cent. of the current receipts or 5·3 per cent. in excess of the sanctioned grant for 1896–97, is inadequate for actual requirements, as already pointed out in my letter, No. 162-S., dated 27th January 1896, recorded in G.O., No. 402 M., dated 11th March 1896. The vaccinal grant calls for no notice.

2. A provision of Rs. 1,760 is made under Grant 1 for carrying out the sanitary works described in Statement II-A.

ORDER—No. 439 M., dated 8th March 1897.

The estimated receipts and charges of the Chidambaram Municipality for 1897–98, as passed by Government, are compared below with the budget and revised estimates for the year 1896–97 and the actuals of 1895–96 :—

REVISED ESTIMATE FOR 1896–97.

2. The current receipts and charges are now estimated at Rs. 22,860 and Rs. 29,400, respectively, against Rs. 22,510 and Rs. 25,290 anticipated in the sanctioned budget, the increase in the charges occurring chiefly under Grants 1 and 3. The collections under the tax on lands, and the expenditure on New works—"Communications" and "Buildings" and on "Water-supply" and Repairs—"Communications" during the first eight months of the year were far from satisfactory. The contribution for the central office establishments will be raised from Rs. 120 to Rs. 150, with reference to G.O., No. 2391 L., dated 17th December 1896. The balance to be carried forward to the ensuing year's budget will then be Rs. 2,160.

BUDGET ESTIMATE FOR 1897–98.

3. *Receipts.*—The receipts for the ensuing year are put down at Rs. 23,690 against Rs. 22,860 in the revised estimate, the increase appearing chiefly under the taxes on arts and buildings.

4. *Charges.*—(1) The probable charges are entered as Rs. 23,910, against Rupees 29,430 in the revised estimate,—the decrease, which occurs mainly under Grant 1, being partly counterbalanced by an increase under Grant 3.

(2) *Grant 1.*—The omission noticed in paragraph 2 of the Collector's endorsement should be explained and the explanation required in paragraph 3 of his endorsement should be furnished at an early date. The entertainment of a separate overseer on Rs. 15, proposed in paragraph 5 (3) of the Chairman's letter, is sanctioned.

(3) *Grant 2.*—The entertainment of an additional teacher on Rs. 6 for the municipal Hindustani school, which appears from the proposition statement to be contemplated and to which reference should have been made in the Chairman's letter, cannot be approved as the necessity of it has not been explained. In this connection, the Chairman's attention is drawn to paragraph 4 of the Collector's endorsement. It is observed that the net expenditure on education is Rs. 2,700 and not Rs. 2,710 as stated by the Director in his letter read above.

(4) *Grant 3.*—The omission pointed out in paragraph 5 of the Collector's endorsement should be supplied. The entertainment of an additional compounder on Rs. 7, referred to in paragraph 6 of the Chairman's letter, is sanctioned. The additions to, and alterations in, the conservancy and private scavenging establishments proposed in paragraph 6 are sanctioned. The council's attention is drawn to the Collector's remarks in paragraph 6 of his endorsement.

(5) *Grant 5.*—The council's proposal to reduce the pay of one of the clerks on Rs. 15 in the municipal office to Rs. 12 is approved. The contribution for the central office establishments will be raised from Rs. 120 to Rs. 247, or Rs. 250 in round figures, with reference to G.O., No. 2391 L., dated 17th December 1896.

5. The budget, as revised by Government, closes with a balance of Rs. 1,880, or 7·9 per cent. of the estimated receipts.

6. The Chairman's attention is drawn to paragraph 2 of the Head Assistant Collector's, and paragraph 7 of the Collector's, endorsements.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following papers :—

From M.R.Ry. RAMASAWMIAH, Chairman, Municipal Council, Chidambaram, to the Chief Secretary to Government (through the Head Assistant Collector and Collector of South Arcot), dated 28th December 1896, No. 495.

I have the honour to submit herewith the budget estimate of the Chidambaram Municipality for 1897–98. A copy of the proceedings of the council passing the budget is herein enclosed.

2. In pursuance of resolution, No. 18, of the proceedings of the council passed at its meeting held on the 5th instant, a sub-committee consisting of five councillors was formed for framing the budget for 1897–98. This sub-committee met on the 17th idem and prepared and submitted revised estimates of receipts and charges for 1896–97 and the estimates for 1897–98 with a brief report explaining the variations between the revised estimate for 1896–97 and the budget estimate for 1897–98. This report and the estimates were placed before the council at its meeting held on the 22nd instant.

3. The sub-committee's report, a copy of which is herewith submitted, explains the variations between the revised estimate for 1896–97 and the budget for 1897–98, and I shall briefly state here below the modifications proposed by the council in passing the budget.

Receipts.

4. *Private Scavenging Fees.*—The amount under this item was raised to Rs. 670 as the council resolved to increase the rate from As. 6 to As. 9 per quarter from the next official year.

Expenditure.

5. *Grant 1, Public Works*—(1) *New Works*—(*b*) *Buildings.*—An additional sum of Rs. 300 was provided under this head for the construction of a latrine.

(*d*) *Water-supply.*—Rs. 250 provided under this head is intended for digging two wells—one near Aiyneeolum and the other in Paracherry—as suggested by the Sanitary Commissioner in his inspection notes.

(3) *Establishment.*—It is proposed to entertain a qualified overseer on Rs. 15 per mensem to mainly look after the public works duties of this municipality, as the system of employing this officer partly on office work and partly on public works duties during the current year has not worked well (*vide* G.O., No. 402 M., dated 11th March 1896).

6. *Grant 3, Sanitation and Medical Services*—(1) *Hospitals and Dispensaries.*—It has been resolved to entertain an additional compounder on Rs. 7 per mensem, as recommended by the civil apothecary, to which the attention of the council was drawn by Government in reviewing the last administration report of this municipality.

(4) *Registration of Births and Deaths.*—The council did not approve of the recommendation of the sub-committee to increase the pay of the registrar of births and deaths from Rs. 10 to Rs. 12 per mensem.

(5) *Conservancy— Road-cleaning and Road-watering*—(*a*) (i) *Establishment.*—The council has resolved to increase the pay of the toties from Rs. 5 to Rs. 6 per mensem a head and increase the number from sixteen to eighteen partly to meet the recommendation of the District Medical and Sanitary Officer, Cuddalore.

(*b*) *Private Scavenging.*—It has also been resolved to increase the number of toties for private scavenging service from five to seven and pay them at Rs. 6 per mensem, and employ an additional maistry on Rs. 6 per mensem, as it is found impossible for one man to efficiently supervise the work of these toties in the whole town.

7. *Grant 5*—(*a*) *General Establishment.*—The provision of Rs. 894 under this head shows a decrease of Rs. 26 as compared with the revised estimate as the council has resolved to employ a clerk on Rs. 12 per mensem in lieu of one on Rs. 15 sanctioned in G.O., No. 879 M., dated 23rd May 1896, as a separate officer has been resolved to be entertained to look after the Public Works duties as stated in paragraph 5 *supra*.

8. The total expenditure under all the grants is anticipated to amount to Rupees 23,910 and the receipts, including the opening balance, to Rs. 25,880, leaving a closing balance of Rs. 1,970, which is about 8·5 per cent. of the entire receipts.

9. The proposition statement for the revision of establishments adverted to above is also herewith forwarded.

Forwarded.

2. This should have been addressed to the Secretary to Government, Local and Municipal Department.

3. Considering the small sum spent by the municipality on public works, the salary of Rs. 15 proposed to be given to the overseer seems to be sufficient, especially as the responsibility of passing works is not left to him; the usual practice being to ask one or more members of the council to check-measure completed works.

(Signed) S. W. G. I. MACIVER,
Ag. Head Assistant Collector.

11*th January* 1897.

Submitted.

2. The provision for "Communications" appears inadequate, considering the state of the roads in the municipality. In the budget for last year, Rs. 3,000 were provided for re-metalling Ammápéttai road and other roads besides the cost of maintenance of other metalled roads. The work does not appear to have been done and no provision has been made for it in the present budget.

3. A sum of Rs. 500 was provided in the last year's budget for constructing a permanent vegetable market. The work does not appear to have been carried out. In the present budget, Rs. 1,000 are provided for the market. The necessity for doubling the estimate has not been explained.

4. In the proposition statement, the necessity for an additional teacher on Rs. 6 is said to be explained in the covering letter, which, however, is silent on the subject.

5. The necessity for the provision of Rs. 640 under "Sundries and Contingencies", Grant 3, (1) (*d*), as against Rs. 380, the budget provision of 1896–97, and Rs. 361–8–11, actuals of 1895–96, has not been explained.

6. *Cholera and Festival Charges.*—The provision for these is not adequate; cholera is of frequent occurrence in this municipality, and the tanks and wells require to be much more thoroughly protected against pollution, especially during festival times. The temple attracts large numbers of people and derives considerable income by selling tickets to devotees who wish to worship at the time of the abishegam. The temple authorities might well be called upon to contribute towards the expenses of the festivals by which they benefit so largely.

7. The letter is not docketed in the manner required by G.O., No. 1372 L., dated 3rd August 1896.

(Signed) A. E. C. STUART,
Collector.

15*th January* 1897.

From the Honourable Mr. D. DUNCAN, M.A., D.Sc., LL.D., Director of Public Instruction, to the Secretary to Government, Local and Municipal Department, dated Madras, 14th January 1897, No. 330.

Referring to the budget estimate of the Chidambaram Municipality for 1897–98, I have the honour to state that the provision made therein for Education is sufficient and may be accepted. The net expenditure proposed on Education is Rs. 2,710 (2,780—70) or about 15 per cent. of the estimated income of the municipality from taxation.

Revised estimate for 1896-97.

2. The current receipts and charges are now estimated at Rs 22860 and Rs 29400, respectively, against Rs 22510 and Rs 25290, anticipated in the sanctioned budget, the increase in the charges occurring chiefly under Grants 1 and 3. The collections under the taxes on lands, and the expenditure on "new works — Communications" and "Repairs — Communications" during the first eight months of the year are satisfactory. The contribution for the central office establishments will be raised from Rs 120 to Rs 150, with reference to G.O. No 2391. L. dated 17th December 1896. The balance to be carried forward to the ensuing year's budget will then be Rs 2160.

Budget estimate for 1897-98.

3. Receipts — The receipts

the coming year are put down at Rs 23,690 against Rs 22,860 in the revised estimate, the increase appearing chiefly under the taxes on ats and buildings.

4. Charges. (1) The provable charges are noted as Rs 23,910 against Rs 29,430 in the revised estimate, the decrease which occurs mainly under Grant. 1 being partly counterbalanced by an increase under Grant. 3.

(2) Grant. 1:- The omission noticed in para. 2 of the Collector's endorsement should be explained and the explanation required in para. 3 of his endorsement should be furnished at an early date. The sanctioning of a separate overseer on Rs 15 proposed in para. 5(3) of the chairman's letter is sanctioned.

(3) Grant. 2.- The sanctioning of an additional teacher on Rs 6 for the municipal Hindustani School which appears from the proposition statement to be contemplated and to which reference should have been made in the chairman's letter, cannot be approved as the necessity for it has not been explained. In this connection, the chairman's attention is drawn to para. 4 of the Collector's endorsement. It is observed that the net expenditure on education is Rs 2,700 and not Rs 2,710, as stated by the Director in his letter read above.

(4) Grant. 3.- The omission pointed out in para. 5 of the Collector's endorsement should be supplied. The sanctioning of an additional compounder on Rs 7 referred to in para. 6 of the chairman's letter is sanctioned. The additions to and alterations in the conservancy and private scavenging establishments proposed in para. 6 are sanctioned. The municipal council's attention

is drawn to the Collector's remarks in para. 6 of his endorsement.

(5) Grant. 5.— The Council's proposal to reduce the pay of one of the clerks on Rs 15 in the municipal office to Rs 12 is approved. The contribution for the Central office establishment will be raised from Rs 120 to Rs 247 or Rs 250 in round figures, with reference to G.O. No. 2391-L. dated 17th December 1896.

5. The budget, as revised by Government, closes with a balance of Rs 1880 or 7·9 percent of the estimated receipts.

6. The chairman's attention is drawn to para. 2 of the Head Assistant Collector's and para. 7 of the Collector's endorsements. The chairman's custom of drawing up his reports to Government in a few main paragraphs with Sub-paragraphs and further subordinate divisions is very confusing and inconvenient. The Sub-paragraphs, should, for the future, be numbered as separate paragraphs.

The Chairman
Municipal Council
Chidambaram

Sir,

We, the members of the Sub committee appointed to frame the Budget for 1897-98 in pursuance of Resolution No 18 of the Proceedings of the committee passed at their meeting held on the 5th instant, have the honour to inform you that we met on the 17th instant for the purpose. Mr K. Vanaha charriar and the members of the sub committee did not attend the meeting

2. We prepared the revised estimate for the current year and the principal variations in the receipts and charges between the budget and revised estimates are briefly explained in Column 7 of the latter.

3. According to the revised estimate the opening balance for the current year amounts to Rs 8730 against Rs 4390 estimated. The receipts and expenditure for the current year are anticipated to amount to Rs and 29 400 respectively leaving a closing balance of Rs 2490 which has been adopted as the opening balance for the ensuing

briefly explain the variations in
several items of receipts and charges in
the Budget for 1897-98 as compared with
the revised estimate.

Receipts.

Taxes on Arts. The sum of Rs 3000 entered
under this head is in excess of the sum shown
in the revised estimate by Rs 500, as the Sub committee
is of opinion that this amount can be realized
by the revision of the registers during the
current official year.

Taxes on buildings. The Sub committee
expects a similar increase under this item
by the next revision of the House Tax Registers.

Revenue derived from Municipal property
and powers apart from taxation.

Sundry receipts. The sum of Rs 450 entered
under this item shows a excess of Rs 170 as
compared with the revised estimate, as the
Excess shown in the latter statement includes
the sum of Rs 220 credited from deposits.

Revenue from Markets. The sum of Rs 650
entered under this head is in excess of the amount
shown in the revised estimate by Rs 130 owing
to credit taken for the receipts from
the new Chandy bazaar.

Fees.

Court fees. The sum of Rs 500 entered
under this head shows a falling off

of Rs 300 as compared with the revised estimate
as the Sub committee thinks that the receipts
on account of erection of pavements will
be absolutely nothing owing to the decision
of the Council not to grant permission
for the erection of pavements till the
question of removal of encroachments is decided

8. Grants and Contributions.

b. From Local Boards.

ii. Medical. The District Medical and Sanitary
officer South Arcot having recommended
an expenditure of Rs 3020 on account of
maintenance of the local hospital, a moiety
of the expenditure is expected from the
District Board South Arcot.

9. Miscellaneous.

a. Recoveries on account of services rendered
to private individuals

i Private Scavenging. The Sub committee
anticipates an increase of Rs 50 under this
item as a greater number of houses will
be brought under Private Scavenging
System during the current official year.

10. The total receipts under all the items
as detailed in Statement I are
contributed to amount to Rs 25 660, including
Registration [illegible] Rs [illegible] from

11. Grant I. Public works.

1. New Works.

a. communications. Rs 1600 under this item are allotted for completing the metalling of the East Car Street, a portion of which will be metalled during the current year and for the construction of a few tunnels in places where they are absolutely needed.

b. Buildings. Of Rs 1100 under this item, Rs 1000 are set apart for the construction of a vegetable market and Rs 100 for the purchase of moveable iron desks to replace those masonry ones which are out of order.

2. Repairs.

a. communications. The sum of Rs 1100 under this item is intended for the maintenance of the metalled roads and other streets and lanes.

d. Water supply. Rs 100 under this item will be utilized for the repair of a few wells which need repairs.

3. Establishment. Rs 760 under this item is intended for an overseer on Rs 25, a maistry on Rs 8, and 6 Tamil coolies on Rs 5 each per mensem. The appointment of a qualified overseer is recommended as suggested by the last Administration Report.

The total expenditure under Grant I as detailed in statement II is anticipated to amount to Rs 4910 against Rs 11370 shewn in the revised estimate.

12. Grant II. Education. A sum of Rs 2780 has been provided under this grant as recommended by the educational authorities, the increase occurring under 2. Municipal Schools ii on Salary Results system owing to the provision made for an additional teacher on Rs 6 per mensem to the Municipal Hindustani School.

13. Grant III. Sanitation and Medical Services.

1. Hospitals and dispensaries. The provision of Rs 3820 under this head is made in accordance with the recommendation of the District Medical and Sanitary officer South Arcot.

2 and 3. Provisions under "Contributions to Provincial Funds" and vaccination call for no remarks, as they are the same as those in the revised estimate.

4. Registration of Births and Deaths. The provision of Rs 150 under this head is in excess of that shewn in the revised estimate by Rs 20 owing to the recommendation of the Subcommittee to increase the pay of the Registrar of Births and Deaths from

Expenditure

5. Conservancy. Road cleaning & Road making

a. i Establishment. The provision of Rs 3170 under this head is in excess of that in the revised estimate by Rs 240 on account of provision made in the Budget for the entertainment of 4 additional tatties on Rs 5 each per mensem to each on the recommendation of the district medical and Sanitary officer South Arcot.

b. Private Scavenging

i Establishment. Rs 490 under this head is in excess of that in the revised estimate by Rs 120 owing to the proposed entertainment of 2 additional tatties for private Scavenging service on account of anticipated increase in the number of houses to be benefitted by private Scavenging service.

c. Chavdis and festival charges. Rs 1500 has been provided under this head though the district medical and Sanitary officer recommended that Rs 2000 should be provided under this head.

The total expenditure under Grant III is thus anticipated to amount to Rs 11700 against Rs 60 of the revised estimate.

the same as that in the revised estimate, does not call for special remarks.

15. Grant V.

a. General Establishment. The provision of Rs 896 under this head shows a decrease of Rs 26 as compared with the revised estimate owing to the entertainment of a clerk on Rs 12 in lieu of one on Rs 15 whose entertainment was sanctioned in G O No 879 M dated 23rd May 1896, as the Subcommittee recommended the entertainment of a qualified overseer on Rs 25 to prepare plans, estimate &c and to look after the Public works duties.

The other items of expenditure under this grant call for no special remarks.

The total expenditure under this grant is anticipated to amount to Rs 1720 against Rs 1770 of the revised estimate.

16. The total expenditure under all the grants as detailed above is anticipated to amount to Rs 23660 against Rs 29600 of the revised estimate leaving a balance of Rs 2000 which is about 8·5 per cent of the entire receipts.
