revised estimate for 1896-97. This allotment is not, however, likely to be wholly spent as the work was not even touched up to 14th January 1897. The plan and estimate relating to it being still with the Sanitary Board. (Vide para 25 (d) of the Chairman's letter giving cover to the budget for 1897-98) In the draft review of the budget, the provision for the work under the revised estimate for 1896-97 has therefore been reduced by Rs 1000, while that in the budget estimate for 1897-98 has been raised by a corresponding amount, so as to provide for its completion within that year. The balance of the provincial grant will then be Rs 4,500 against Rs 4,230, the deficit with which the revised estimate is expected to close.

CURTIN No. 473 M

From

Rao Sahab S. Srinivasa Iyer Esq. B.A.

Chairman, municipal council
Calicut

The Secretary to Government
Local and Municipal Department
Madras

Sir

I have the honor to bring
to the notice of Government that the
Revised Estimate of the Current Fiscal Year
closes with a minus balance of Rs 4230/- as
stated in para 42 of my budget covering
Letter No. 6 dated 14th January 1897.

* This does not
include the balance
of Rs 3500 under the
provincial grant for
Mappila burial fund.

It is needless for me to detail the
circumstances which led to this result
as they have been explained in the
letter quoted above. The old bills of
previous years for which no provision
was made in the current year's budget,
and which, the Council at my
recommendation, resolved to pay, the
entertainment of an establishment
for revision of house tax for which
there

there was no provision in the budget and the special allotment of £750/ for epidemic charges tended to swell the minus balance.

2. The marginally noted amounts are due to the Accountant-General on account of medicines supplied.

The Accountant-General has been reminding me to pay up the amounts.

A sum of £4175-9- was due for the indent of November 1895. I paid £2000/ in October 1896 and promised to pay the balance of £2175-9- this month, but I regret I am not able to do so now owing to other urgent demands which could not be postponed as explained in para. 1, p. 4.

Provision has been made in the next year's budget for item No. 2 £2042-8-10. I placed the matter before the Council and it was resolved that I should lay the case before the Government and obtain its sanction to the payment of the amounts next year or to authorize the Council

1) Balance due for medicines supplied in November 1895
2) Value of the medicines in stock for the current year

X under the Revised Estimate for 1896-97. Provision has also been made for the 1st item, but the Council is unable to pay either of these, as the Revised Estimate makes close with a deficit of Rs 4230

Sanctioned in Govt No 5264-11 24-3-96

Drawn by the Council in 1895-96

Council to pay the amount this year out of the unexpended portion of the Government allotment of £7500/ for mepala burial ponds, the same being recouped next year. A copy of the resolution of the Council is herewith forwarded.

3. I beg therefore to solicit the favor of orders in the matter.

I have the honor to be, Sir,
Your most obedient servant
