Enclosure.

SIR,

With reference to letter No. 961 dated 29 January 1897 from the Chairman Municipal Council, Madras forwarded herewith, I have the honor to remark that there would seem no greater reason why ^{in Madras} inefficiency should be allowed to exist than in other Municipalities in the Presidency which correctly render their returns. It cannot be said that if the description of information that is required be correctly kept up in the Chairman's Office, any difficulty in compiling the return could result. I may here state that the return for November 1896 was not received in this Office till the 19 January 1897.

I have the honor to be,
Sir

Yours to be desired
W. G. King

Through the Sanitary Commissioner
for Madras.

Sir,

Copy not available

In reference to G. O. No. 2022 M.
dated 2nd December/95, calling for explanation
for the delay that occurred in the submission
of the compulsory vaccination returns as
laid down in G. O. No. 1502 M. dated
19th October/94, I have the honour to state
that the information required for the preparation
of the returns was not available at once.
The Vaccinators took a very long time to
gather the information and the return was
then prepared and sent. In this connection
I purpose moving the Council to accord

sanction for the entertainment of a separate
man for the preparation of this return
as advised by the Deputy Sanitary Commissioner
on his last inspection. Unless a man entirely
devotes his time to this business there is no
likelihood of the work being done as accurately
as might be desired. The last return sent
from this office was for November 1896.

I have the honour to be

Sir,

Your most obedient servant

Wm. A. Ew
Chairman
M.C.
