Madras.

Sir,

Reminders to
fo 1402 h/96.

In accordance with your Reminders
No 1432 dated 10th December 1896, I have
the honor to report, as requested in
G.O. No 1402 M. dated 20th August 96,
para 3 (1), that the Revision of the Land
Tax Register has been Completed. This
work was commenced in January of last
Official year and has taken an enor-
mous amount of labour to complete -
owing, principally, to the fact that lands
have from year to year been changing
hands, owing to death, sale, or mortgage,
no note whatever of such changes being
made in the Register the result being
that

that by distraint and prosecution a large sum of arrears, extending over six years, had to be collected from persons now scattered all over the District before the revision proper ~~could~~ be commenced. The following table will show clearly the result of the revision—

Arrears outstanding on	Rs. Rs. p.
Commencing the work	484.15.9

Amount of arrears collected	
by warrant	470.9.9

"	" written off—	14.6.0
---	----------------	--------

"	" still outstanding.	Nil
---	----------------------	-----

No of assessments in Old	
Register	391

"	" in New	307
---	----------	-----

Total amount assessed in	
Old Register	Rs 2393. ✓

"	" in New	Rs 2424. ^{increase} 31Rs
---	----------	-----------------------------------

The rate of assessment is, as hitherto—

In Cheruvulopala Division	Rs Rs. p.
	12. 6 per acre

In Cheruvu venaka	"	5. 0 "
-------------------	---	--------

In Ava	"	7. 6 "
--------	---	--------

In Etavarala	"	10. 0 "
--------------	---	---------

2. Regarding your comment, in para 3 (3) on the collection and sale of rubbish, I think my reference to this in the Administration Report has been misunderstood. My remark "one man has purchased the right to collect and has opened a depôt" was intended to refer only to collection and storage in the depôt, not from the streets direct. All sweeping is done by municipal agency and municipal carts deliver the refuse at the contractor's depôt twice daily. The suggestion of Government in the concluding portion of the paragraph will be considered by the Council before the contract is renewed for another year.

3. The matter referred to in the closing sentence of para 4 is already placed before the Government (see this office letter No 519 dated 5th December 96, with plan Estimate and other accompaniments. I trust we shall receive a favourable reply thereto at an early date.

4. The suggestion contained in para
4(3) has been adopted. - A woman recom-
mended by the District Medical Officer
has been sent for a year's training to the
Lying-in-Hospital in Madras at the expense
of the Council, bond being taken from her
to serve the Council for five years after
training on a salary of Rs 12/. The Superint-
endant of Lying-in-Hospital has sent a
temporary midwife to act until the one
sent for training returns. The Council
has been compelled to increase the pay
from Rs 15/ to Rs 20/ as no one could be per-
suaded to accept the post on the former
Salary. -

a proposition state-
ment has been
received with
the budget for
1897-98.
