FROM

Herbert Bradley, Esquire,
COLLECTOR OF THE

Coimbatore DISTRICT,

LOCAL & MUNICIPAL DEPT.

TO

THE SECRETARY TO GOVERNMENT,

Local & Municipal DEPARTMENT,

Madras.

SIR,

I have the honor to state that the Chairman of the
Tavur Municipality has requested me to acquire and handover
to him 5 cents of the Devasthanam inam land No 858, measuring
1.97 acres, belonging to one Muthu Tharuppa Pillai, required for
a public latrine in Tavur.

2. A true translation of the owner's statement is herewith
submitted from which it would appear that he objects to the
acquisition on the following grounds -

- (a). The site is bounded on one side by a thickly populated street
and on another side by a temple frequented by many persons;
 - (b) the portion required is the pathway to his land; and
 - (c) the construction of a latrine on a portion of his land
would affect the income on the rest of the land.
- He requests that in case it is decided to acquire his land the
whole of the land may be acquired.

3. These objections were pointed out to the Council but it is of opinion that they are frivolous. The site has been approved by the Sanitary Commissioner. A copy of the Chairman's letter is enclosed.

4. I do not consider that the latrine will really injure the land or the temple, and the fact that there is a thickly populated street without a latrine near it shows that one is badly wanted in the neighbourhood. I therefore recommend the acquisition of the site required and have accordingly submitted herewith a draft notification for publication in the Fort Saint George Gazette.

I have the honour to be,

Sir,

Paper taken out of the Records

Copy of letter from M. R. R. V. Subba Rao, aot., Chairman, Municipal Council, Tarur, to the Collector of Coimbatore,

No. 320, dated 22nd January 1897.

In reply to your endorsement on the letter of the Tahsildar of Tarur dated 13-11-96 to the Sub Collector relating to the acquisition of a site for a latrine, I have the honour to enclose copy of a resolution of the Municipal Council dated 21st January 1897.

2. The residents of the street have no valid objection to the place, the temple referred to is not so close as to render it offensive to people resorting to worship and the owner of the tope can easily have an entrance elsewhere. The people living in the Ambalakara and Keerakkara streets have no private latrines in their houses and foul the streets and lanes. They have on several occasions asked for a public latrine and no other site can suit the purpose. The Sanitary Commissioner has no objection to it.

3. The owner of the land is unwilling to part with it and is an influential man on whose account people may raise objection. I request that early arrangements may be made to place the site in my possession.

ENCLOSURE.

SUBJECT.

Translation of the statement made before the Tahsildar of
Tavur on 6. 11. 96, by Mattu Karuppa Pillai, Karam of Tavur
village.

Field S. No 858 measuring Acres 1.97 is a Coconut tope
and a Padikaram Inam relating to the Tavur Devasthanam. Acres
1.47 of this tope belongs to Karamier clerk of the Sub Registrar's
Office. The remainder 50 cents are mine. All the ryots have requested
me not to part with the said site for building a latrine; because
there is to the north of it the Ambalakara street and to the south
the temple of Pidari Vanchi Amman; and if the latrine be
located between the two, the stench of the latrine will cause diseases
to the residents hard by. Further at the festival season of the said
temple, it will be a source of nuisance to the large number of people
who will there Congregate to celebrate the festival. Moreover,
the place where sacrifices of sheep are daily made is very near
the said tope, and much inconvenience to the people will be
caused (by the latrine) Everything will be seen if you will only
personally inspect. Further, the 5 cents asked for by the Municipi-
pality out of the 50 cents belonging to me from the way which
leads to my tope, and if they be acquired, I am left without a
way leading to my land. If a road is to be constructed from the

the Sindigul road to the said tope, a bridge has to be made. If 5 cents are given away, people refuse to cultivate the remainder. In the Pugalur road, for instance, 2 acres of my land have been taken for a latrine. People refuse to cultivate the remainder on account of the stink emanating from the latrine and, for the same reason, even the Thavalgars (watchers) refuse to watch during nights. Consequently, I have incurred much loss from that land. Further if a latrine be established in a Coconut tope, beetles are bred therefrom which do damage to other trees. For the above reasons, I do not agree to part with 5 cents of my land. If acquisition be made compulsorily, I request that the entire land be taken and compensation awarded to me both for the land and the tope.
