For Agent to the Govt. Genl.
and Chief Commissioner

Regulation under Section 2 Epidemic
Disease Act 1897.

In accordance with the provisions of
Section 2 clause (b) of the Epidemic Disease
Act 1897, and in pursuance of the powers
conferred by the Governor General in
Council the Agent to the Governor General
in Rajputana prescribes the following
Regulation for the inspection of persons
travelling by railway and the segregation
of persons suspected of being infected with
bubonic fever:-

Regulation 1 All passengers arriving at
the Bandikui railway station from the
direction of Ajmere will be inspected by
a Medical Officer.

2. On the arrival of the train all passengers
must, when required by the Medical Officer
appointed to make the inspection, alight
from the train and remain on the plat-
form or at such place as such Officer
may direct until he has medically
examined them.

3. Without the permission of the Medical
Officer a passenger shall not re-enter a
railway carriage or proceed on his journey
or leave the railway station.

4. If after examining the passengers the
Medical Officer suspects that any passenger
is infected with bubonic plague the Medical Officer
shall detain such passenger and remove him
as the case may require to the hospital or
temporary accommodation provided for the
reception of persons suspected of being infected
with the said disease.

5. A person detained by the Medical Officer shall
not without the Officer's permission depart from the
hospital or temporary accommodation to which he
has been removed.

By order
Sd/- J. S. Sanyal Captain
First Asst. Agent to the Govt. Genl. Rajp.

In addition to the Regulations made under Section 2 Epidemic Disease Act 1897 for the inspection of passengers at the Bandikui Railway Station the Agent to the Governor General, Rajputana, is pleased to make the following Regulations, viz -

6. All railway officials and railway police shall render to the Medical Inspecting Officer such assistance as may be necessary in order to enable him to carry out the medical inspection prescribed in these Regulations, and no train shall be allowed to proceed until the said Officer has given a certificate in writing to the Station Master that such inspection has been completed.

7. If a person removed under Regulation 4 to a hospital or temporary accommodation is accompanied by a companion or attendant the companion or attendant shall at the request of the Medical Officer remain in the temporary huts or tents provided for friends of patients or suspected persons.

8. A companion or attendant required under the preceding Regulation to remain in a temporary hut or tent shall not depart therefrom without the permission of the Medical Officer.

9. The Medical Officer may direct the disinfection or destruction of any clothes, bedding or other articles belonging to any infected or suspected person or any companion or attendant of such person.

Regulations under Section 2 Sub-section
(2) Clause (b) of the Epidemic Disease
Act 1897.

In accordance with the provisions of Section 2 (2) (b) of the Epidemic Disease Act 1897, and in pursuance of the powers conferred by the Governor General in Council, the Chief Commissioner of Ajmere-Merwara prescribes the following Regulations for the inspection of persons travelling by railway and the segregation of persons suspected of being infected with bubonic fever:-

I All passengers arriving at the Ajmere Railway Station from the direction of Ruttam and Ahmedabad will be inspected by a Medical Officer.

II On the arrival of the train all passengers must, when required by the Medical Officer appointed to make the inspection, alight from the train and remain on the platform or at such place as such Officer may direct until he has medically examined them.

III Without the permission of the Medical Officer a passenger shall not re-enter a railway carriage or proceed on his journey or leave the railway station.

IV If after examining the passengers the Medical Officer suspects that any passenger is infected with bubonic plague the Medical Officer shall detain such passenger and remove him as the case may require, to the hospital or temporary accommodation provided for the reception of persons suspected of being infected with the said disease.

V A person detained by the Medical Officer under the preceding Regulation shall not without the Officer's permission depart from the

the hospital or temporary accommodation to which he has been removed.

VI If a person removed under Regulation IV to a hospital or temporary accommodation is accompanied by a companion or attendant ^{the Companion or attendant} shall at the request of the Medical Officer remain in the temporary huts or tents provided for friends of patients or suspected persons.

VII A companion or attendant required under the preceding Regulation to remain in a temporary hut or tent shall not depart therefrom without the permission of the Medical Officer.

VIII The Medical Officer may direct the disinfection or destruction of any clothes, bedding or other articles belonging to any infected or suspected person or any companion or attendant of such person.

IX All railway officials and railway police shall render to the Medical Inspecting Officer such assistance as may be necessary in order to enable him to carry out the Medical inspection prescribed in these Regulations, and no train shall be allowed to proceed until the said Officer has given a certificate in writing to the Station Master that such inspection has been completed.

X The names and addresses of all persons arriving from the direction of Ahmedabad who leave the railway at Aymere shall be recorded under the direction of the Medical Officer before he gives them permission under Regulation III to leave the station. The Medical Officer shall forward such names and addresses to the District Magistrate who will provide that a
