No. 126

From

SURGEON-MAJOR-GENERAL C. SIBTHORPE, F.R.C.P.I.,

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

Local and Municipal DEPARTMENT.

SIR,

With reference to para 5 of my letter No.102, dated the 2nd March 1897, I have the honour to state that advertisements have been published in the various local newspapers inviting ^{female} Medical practitioners for temporary employment in connection with plague arrangements. I am also publishing these advertisements in the leading papers in Bangalore, -- Bombay, Allahabad, Calcutta and Lahore as I am ^{not} sure that our requirements can be sufficiently met locally.

2. In the advertisement, I have said that the candidates will be provided with furnished quarters, as suggested in my letter to you of the 20th February 1897, No.82. I am strongly of opinion that this concession is essentially necessary as they cannot be expected to live in the open. A tent or shed with a very limited and ordinary furniture is all that is required and is not likely to cost much.

I have the honour to be,

Sir,

Your most obedient Servant,

C. Sibthorpe

Surgeon-Major-General,

Surgeon-General with the

Government of Madras.

My dear Sibthorpe.

I see you are advertising for female Medical officers for the plague camps, who are to get "furnished quarters". This seems to be misleading for what sort of "furnished quarters" is Government likely to be able to provide at Guntakul!

I am to suggest that instead

of, or at any rate in addition to, or write to the authorities to pick
advertising you should have letters out any they may know of and
written to any unemployed female send them here.
practitioners turned out by the
Medical College, whose addresses
are presumably known. If they
are all in employ it is probably
not much good advertising in
the newspapers here. The better
plan would be to advertise
in other parts of India where
there are arrangements for educating
female medical practitioners,

Yours Sincerely,
J. G. S. Forbes

if there are none advertised
unemployed what's the good
of advertising in the Madras
papers? He should adver-
tise in the other parts of
India where there are arrange-
ments for educating female
medical practitioners, or write
to the authorities there & pick
up some & send down. If
he has left from the Province
no doubt will have to pay
more, but that can't be
helped.

With you would
