Enclosure.

SIR,

I have the honor to state that the allotment made by the Anantapur Municipal Council in its budget for 1897-98 for vaccination and Conservancy are much the same as for the current year. The provision for the former object is sufficient, that for the latter which is but 13.4 per cent of the current receipts is much below requirements, as already remarked in my letter on the current year's budget.

2. The proposed increase of salary to the Registrar of births and deaths has not my approval, in view of defective Returns hitherto received from the Council.

3. Under Grant I a sum of Rs 500 is reserved for roofing some of the public latrines and Rs 100 for improving

But registration has improved (Vide para 9 of the 2nd report) under in G.O. No 6434 8-4-96) H.B.

improving drinking water, wells.

I have the honor to be
