2. I agree with the Municipal Council in
thinking that it is impossible for the Mun-
-cipality to efficiently protect the tank
and its bund. The ^{water spread} area of the tank is 5 square
miles. I have this day addressed the Superinten-
-dent of Police to make arrangements to station
Police constables to watch and prevent com-
-mission of nuisances on the bund under
Sections 277 & 278 I.P.C.
