Sir,

With reference to para 4 (1) of G.O. No. 1738 dated 12 October 1896, stating that "the total outlay on Communications amounted to Rs 6869 or 63 per cent. of the net municipal income from Fort against the minimum of 80 per cent fixed by G.O. No. 1438 in dated 7 September 1891", and "that the short outlay under this head should be explained", I have the honour to submit the following:-

The actual toll receipts exceeded the budget estimate for 1895-96, and the expenditure showed a decrease mainly for the reasons that the new Kumaraipuram Road was not constructed under the circumstances set forth in para 48 of my report read in the
