FROM,

Herbert Bradley Esquire,

PRESIDENT, DISTRICT BOARD,

Coimbatore.

TO,

THE CHIEF SECRETARY TO GOVERNMENT,

LOCAL AND MUNICIPAL DEPARTMENT,

Madras.

SIR,

With reference to L.O. No. 261 M dated February 22nd 1897. I have the honour to state that the matter was considered by the District Board at the meeting held to-day and several of the members expressed the fear lest the proposal to examine railway passengers at Podanur should not prove sufficient precaution against the plague. They accordingly suggested that a further examination of passengers should take place at Shornur where most of the trains stay for some time. The members state that if Podanur is the only place for examination

of passengers it is quite possible for passengers who are afraid of the examination to leave the train at Madurai-Karai and walk into Coimbatore - Many Malayalis passing through Coimbatore adopt this route and the danger is I think a real one.

2. May I inquire whether the Cost of the establishment now about to be entertained will be debited to this Board or as would appear more equitable divided among the Board and Municipalities together with the Cost of the other extraordinary precautions now being taken against the plague.
3. Orders are being issued for the Construction of the necessary sheds.

I have the honor to be

Sir,

Your most obed^t Servant

We can't well afford to establish at present inspection stations both at Podanur & Shoranur. The former is the better in all the circ^s.

In the file which I sent to H.M. yesterday, draft rules ^{were suggested} for -
powering all ticket collectors to question passengers & in certain cases to detain them & send them to an inspection station.

These with the San. Comm^r's plague rules applicable every where 2^d Office
