LOCAL AND MUNICIPAL DEPARTMENT.

Papers to be read in Proceedings:—

Again G.O., dated

Current No. 24-M of 1897 , dated 28th Dec. 1896 from the Chairman Municipal Council
Current No. of 189 , dated from the

HM

Mis. Order. N^o 530 mins. 15.5.97

12/3/97

It is not shown that since the proposition of the municipal tolls due paid to the Dist Board was settled in 1888 there has been any such material change in the scheme of district tolls as to justify a modification of that proposition at the present time.

S. A. 17

The Government sees no sufficient reason to reconsider its order N^o 2237 L. dated 24th November 1896

Note. Please see the notes and orders in G.O. N^o 2237 L. dated 24th Nov. 1896. The municipal Council requests a reconsideration of this order on the grounds—
(1) that it finds it difficult to make adequate provision for roads in 1897-98, and (2) that it has contracted a heavy debt in account of the Bugga water works. From paragraph 15 of the Sanitary Commissioner's inspection notes recorded in G.O. N^o 182-M dated 7th Feb. 1895, it appears that the roads in the town are

are in fairly good order. Further the Council has hitherto been utilising for expenditure on roads only about 50 per cent. of the toll revenue, and it will be sufficient if the same thing is done in the ensuing years also. As regards the second point it is observed that the Municipal Council will have sufficient means to pay the debt when the new Municipal Bill is passed into law.

P.R.
11/1/77

How was the proportion fixed. Some principle must be adopted not a mere arbitrary division

8/2/77

Please see portions marked with red chalk in the notes in G.O. NO 56414, dated 1st June 1888. (Flag A). The proportion seems to have been fixed arbitrarily.

P.R.

How many tolls were there on L.F. roads in Cuddapah in 1888, & how many are there now. I see in the P's note in 1888 he says there were ²⁴ tolls near the town. Is this so now; at what distance from the town are the nearest

Map B

There were 24 toll-gates on Local Fund road in Cuddapah in 1888, vide para. 10 of the District Board's Administration Report for 1887-88 (G.O. NO 2182, dated 24th January 1889) and the portion marked with red chalk in the Municipal Sub-committee's report in G.O. NO 56414, dated 1st June 1888. At the close of 1895-96, the number of local fund toll gates was 26. vide para. 10 of the President's report in G.O. NO 2049 L. dated 2nd November 1896. The District Board maintained in 1888, a toll-gate close to the Municipal limits, on the north western side of the town, but it was subsequently abandoned vide the District Board's resolution in G.O. NO 2177 L. dated 17th November 1888. It is not clear at present ~~certain~~ whether there are any local fund toll-gates near the town. A reference may be made on this subject to the President. The map submitted with the L.F. budget for 1895-96 shows that there are two toll gates on the

borders of the town, but one of them
at Patha Cuddapah on the north has
does not appear in the list of toll
gates submitted with the report (1895-96) to
and the other gate on the south has not
been named.

V.R.
8/5/77

As the only material difference
between the no. of toll gates in 1888
& now is an increase of two
only.

The Collector of Cuddapah.

Sir,

With reference to the Proceedings of
Government dated the 24th November 1896
No 2237 L. Mis, sanctioning payment to the
District Board, Cuddapah, its share of the
Municipal Toll-revenue, with effect from
the year 1897-98, the Council, at their meeting
of the 19th instant, resolved that a respectful
representation be, once more, made to Govern-
ment, regarding the great inconvenience
and difficulty, the Council are laboring under,
in

in framing their budget estimate for 1897-98,
to make adequate provisions for roads and
other works in the Municipality and that the
favor of their reconsideration of the order
in question be solicited. In doing so, I have
the honor to state that the Council do not
ignore their liability to the claim of the
District Board but venture to plead their
inability to meet it at present owing to the
backward state of their finances, in conse-
quence of the heavy debt which they have
contracted on account of the Bugga Water ~~works~~
supply which remains, not even half discharged
as yet. I beg therefore that you will be so
good as to place the matter before Government
for reconsideration and orders.

I have the honor to be,

Sir,
