LOCAL & MUNICIPAL DEPT.

His Excellency the Right Honourable

the SECRETARY to the Council
27 FEB 1897
GOVERNMENT OF MADRAS
George
Madras

The humble appeal Memorial
of the undersigned Lutchers
residing at Chetty's garden
Dioplicane Madras
Most respectfully Sheweth.

That memorialists considering
your Excellency as the guardian & benefactor
of the helpless & poor & with the deepest
trust of your Excellency's justice & goodness
towards all who approach your Excellency
for protection & redress & with every mark
of respect & submission beg to represent
the following hoping fully to meet with
approbation.

That memorialists ever
since the demise of their ancestors carry
on their Lutchers' profession at two
markets commonly known Chetty's garden
market situated in Dioplicane High
Road Madras.

That for the sole benefit of the
munrocalists & the residents of the said
Chetty's garden the Municipal Commissioners
for the Town of Madras were pleased to
build a new slaughter house from the
Municipal fund close to the said market
Several years ago as the ground therein
was used for the said purpose for more
than 100 years

That the said Slaughter house ever since its erection is kept in such a good order by the Municipality that neither there had been nor there is any room for any complaint of nuisance which fact will be corroborated by the enclosed petition signed by the neighbours thereof.

That memorialists having had information that the Municipal Commissioners for the Town of Madras unreasonably and without any complaint on the part of the neighbours of the Slaughter house made up their minds to put a stop to the slaughtering of the sheep from the 1st of April 1897, & drive them to another Slaughter house at a distance of 2 or 3 miles off, presented a petition & a Mahazur dated the 10th instant.

instant to the President of the said Municipality,
praying that the said decision aimed at,
will, under the aforesaid grounds, be set
aside & the said long standing Slaughter
house be continued under the reasons stated
above but memorialists regret to say that
they have received the enclosed reply through
the health officer to the effect that the
Municipal Commissioners have decided
that the Slaughter house should be closed
from the 1st April & so nothing can be
done to alter it."

That under the aforesaid
granted memorialists pray that
Your Excellency will be mercifully pleased
to issue an order that the said long standing
slaughter house of 100 years will be continued
for their benefit as well as of the neighbours
& the Public.

& the ~~Principle~~ ^{Principles} shall

That the success that the said
slaughter is to be removed to cert. and distant
place is sure to make the thankfulness of
so long a time well & void once for all,
because by means of this slaughter the under-
signed used to get timely assistance, convenience
& the good health &c of getting mutton

early in the morning for their general use, for the convenience of the public servants who are obliged to attend the offices in time & for the patients on sick bed.

That the said decision is further to overload the Municipality by way of main expenses both in demolishing the present slaughter & providing a new one

That therefore the undersigned most humbly pray that His Excellency will be mercifully pleased to cancel the decision of the Municipality & order the present slaughter house to be continued as before.

Mahazmars shall as in duty bound Ever pray
