NOT.

For Guntakal & Arkonam perhaps we need not recommend the application of Rule 2. The Rule imposes upon the Local Board the duty of providing the hospital & accommodation required; but at these places the cost must be met from Provincial - these being inspection stations to guard the whole P. If any other town of Anantapur or N. Arcot sh^d be threatened with plague, the Loc. Bd. of city will of course have to provide the accommodation.

We may therefore confine the recommendation to Rys 3 & 14. (No doubt, I sh^d think the J. B. of both dist^s must have ex- tended R. 14 already - as soon as we notified Arkonam & Guntakal under it. But there is no harm in the reminder.)

S. R. 14/97

The simplest plan will be to communicate the G.O. on Mr. Bradley's letter to these Comm^s & let them do as they find necessary

Note for the Secretary

The order has now been addressed to the Collectors of Anantapur & North Arcot also.
