From R. B. STEWART, Esq., I.C.S., Assistant Collector in charge, Pilgrim camp, Nassik, dated 10th March 1897.

I have the honour to inform you that I have this morning sent off thirty pilgrims in charge of Inspector Grierson who arrived here on Monday, the 8th. Two pilgrims have been detained here—one who is suffering from small-pox and one attending on him.

Under instructions from the Government of India, pilgrims are to be refunded the cost of railway fare from the nearest railway station to their homes to Bombay. Inspector Grierson had no instructions with regard to this, and informed me that pilgrims would be discharged at various stations on the way to Calicut. I have, therefore, advanced him money to pay the expenses incurred by pilgrims in going to Bombay, the total of expenses incurred being considerably less than the total of railway fares to their nearest station.

I have also advanced him money for the fares of pilgrims from here to their nearest railway station, the total amounts being—

	RS.	A.	P.
Fares home	355	12	0
Refunds	204	12	6
Total ..	560	8	6

I have also given Inspector Grierson a nominal roll of pilgrims handed over to him showing the amount to be refunded to each man.

The two men detained here will be discharged as soon as possible, and I would ask that arrangements may be made to refund to them the expenses incurred in going to Bombay, viz.—

	RS.	A.	P.
(1) Mamacha Beeran of Angadipuram	10	9	6
(2) Moideen Kuty Coonhatta of Manjéri	10	0	0

I will, if you wish, give them certificates to the effect that they have been here and the refund might be made on presentation of the certificates.

Order—No. 561 M., dated 16th March 1897.

Communicated to the Collector of Malabar, in continuation of G.O., No. 416 M., dated 6th March 1897.

2. On receipt of the final report from the Collector of Malabar, the Accountant-General will be instructed in the Financial Department to make the necessary adjustment in regard to the payment of railway fares to the pilgrims from their homes to Bombay and back, which has been made by the officer in charge of the pilgrim camp at Nassik.

3. The Government does not consider that a police escort is necessary for the two pilgrims referred to in the last paragraph of the letter read above. The officer in charge of the pilgrim camp at Nassik will be requested to despatch them to their homes, furnishing them with the railway tickets and certificates of their having been in the camp to entitle them to the refund of the railway fares from their homes to Bombay, which will be paid to them on their return to their district.

4. The medical officer in charge of the camp at Guntakal will be requested to look out for these two pilgrims on their return journey and help them if they are in difficulty; and the Collector of Malabar will be requested to issue the necessary instructions for the refund of the railway fares above mentioned, which should be made through the Tahsildars of Angadipuram and Manjéri or in such other trustworthy manner as the Collector may determine.

SUBJECT.

FOR ORDERS.

In para 3 of G.O. No. 320M dated 27th February 1897, the Collector of Malabar was requested to place at the disposal of the Police Inspector deputed to Nassik a sufficien sum of money to meet the pilgrims' fares and the expenses of the police party with a margi in hand to be accounted for in due course; but from the letter read above it appears that the fares of the pilgrim for returning to their homes an refunds of Railway fares to Bombay have been paid by the officer in charge of the Pilgrim camp at Nassik. This is state to be due to the fact that Inspector Grierson who proceede from Malabar had no instructions on the subject. According to the orders of the Government of India the refunds should be made by the local Government - Vide telegram from the Government of Bombay in G.O. No. 416 M dated 6th March 1897. The Accountant General may be instructed to make the necessary adjustment on receipt of the final report from the Collector of Malabar.

It is not stated how the two pilgrims who are detained at Nassik would be sent back to this Presidency. The Inspector General of Police may be instructed to arrange for their return in communication with the officer in charge of the camp at Nassik.
