Communications and Gazette -
 notifications adhere to this sort of
 etiquette in the case of all public -
 servants and even in the case of
 the members of Local, and Municipal
 boards.

3. Under the above circumstances

I beg to add that as a public servant and a tax payer qualified to be a councillor I should be entitled to the same form of etiquette from the Municipal authorities; but on the other hand even though the omission was repeatedly pointed out to the Chairman of the Local Municipality he still persists in having his own way of addressing the "Notice of Demand" vide copy herewith enclosed for perusal.

4. And what was more surprising was, that he thought it an insult when the want of the above official etiquette on his part was once pointed out to him, and took it into his head to address the Executive Engineer who merely replied him that he could not interfere in a matter - which was purely private.

5. Under these circumstances I request that the Government may be pleased to issue definite orders on the mode of the Municipality addressing notices of demands to persons in position similar to that of mine.

6. As already pointed out the Executive Engineer having declared the

the manner to be a private one, I beg to be excused for my fault, if any, in addressing this communication direct.

I beg to remain,

Sir

Your most obedient servant,
A. H. Ramachandrarao

The matter to be a private one & to be excused for my fault of copy in and despatching this common communication

My dear Sir,
I have the honor to acknowledge the receipt of your letter of the 10th inst. in relation to the matter of the local office of the Department of the Interior, and in reply to inform you that the same has been forwarded to the proper authorities for their consideration.

I am, Sir, very respectfully,
Your obedient servant,
J. M. Smith

5. Under these circumstances, it is suggested that the Government may be desired to issue an order to the effect of the above, and in view of the importance of the matter, and the necessity of giving notice of the same to the public, it is suggested that the same be published in the official gazette.
