GOVERNMENT OF MADRAS.

MARINE DEPARTMENT.

READ—the following papers :—

From the Right Honourable the Secretary of State, to His Excellency the Right Honourable the Governor-General of India in Council, dated India Office, London, 28th January 1897, No. 21, Revenue.

I forward herewith, for the information of your Excellency's Government, copy of the papers noted in the margin, reporting the Proceedings of the Alexandria Sanitary Board relative to animals, skins, etc., arriving in Egypt.

From Foreign Office, 14th December 1896, and enclosure.
To Foreign Office, 27th January 1897.

ENCLOSURE No. 1.

From G. CURZON, Esq., Foreign Office, to the Under Secretary of State for India, dated 14th December 1896.

With reference to previous correspondence, I am directed by the Secretary of State for Foreign Affairs to transmit to you, to be laid before the Secretary of State for India, the accompanying copy of a despatch, containing a report on the last meeting of the Alexandria Sanitary Board.

I am to request the observations of the Secretary of State on this despatch.

ENCLOSURE in above.

From F. G. FREEMAN, Esq., Alexandria, to the Marquess of Salisbury, K.C., dated 4th December 1896, No. 74 (Commercial).

I have the honour to report that I attended the monthly meeting of the Sanitary Board on the 1st instant in the place of Dr. Mackie, who was confined to his house by illness.

On the motion of the French Consular delegate, the Board decided that the draft regulations respecting susceptible goods should be discussed at the February meeting.

In regard to vessels carrying susceptible goods, the following resolution was passed :—

All indemnified vessels carrying in their holds susceptible goods, which ought not to be disembarked may be admitted to pratique in passing through the canal, after being subjected to the (restrictive) measures enacted by article of the Regulation against the plague.

It is well understood that the seals should remain untouched as long as the vessels remain on Egyptian waters.

An application made by the Italian General Steam Navigation Company for permission to embark passengers and goods in quarantine at Alexandria on vessels from Bombay which pass through the canal in quarantine was rejected by seven votes to four. I voted with the minority.

The draft quarantine regulations relating to animals, copy of which was enclosed in Sir Charles Cookson's despatch No. 12, Commercial, of 5th March last, were adopted almost without alteration. Articles 8, 10, 11, 12, 15, A, C, D and E, were passed in the more stringent form recommended by the majority of the Commission by whom the regulations had been drawn up. The book will now be reprinted; but, meanwhile, I have the honour to enclose copy of the draft as amended.

The following resolutions relating to the importation of animals were carried without much discussion :—

First.—To apply, for the future, the regulation on animals which it (the Commission) has approved in its sitting of to-day.

Second.—To consider as brute beasts all arrivals of animals coming from Russia, from Caramania and Syria, where the bovine typhus is very frequent.

The Egyptian veterinary delegate had intended to move that the decisions of 6th December 1892 and 6th June 1893, by which Russian and Syrian sheep were placed on the same footing as other live-stock imported from those countries, should remain in force. Mr. Littlewood expressed himself satisfied, however, with the form in which the regulations had been passed, and withdrew his motion.

ENCLOSURE No. 2.

From A. GODLEY, Esq., India Office, to the Under Secretary of State, Foreign Office, dated 27th January 1897, No. R. & S. 1848.

I am directed by the Secretary of State for India in Council to acknowledge the receipt of Mr. Curzon's letter of the 14th ultimo, with accompanying papers, reporting the proceedings of the Alexandria Sanitary Board relative to animals, skins, etc., arriving in Egypt, and in reply to inform you that the correspondence does not appear to call for observation. A copy of Mr. Curzon's letter and its enclosures will, however, be forwarded to the Government of India, who will submit their remarks, should they wish to draw attention to any matter deemed worthy of notice.

No. 765 (Sanitary).

Copy, with enclosures Nos. 1 and 2, forwarded to the Government of Madras for information.

(By order.)
