Sir - With reference to your memorandum

As 118 of 4-2-97, I have the honor to report that there is
no railway station within the area of this Municipality.
The Parakkimidi Road Station is 24 miles off while
Sea ports are at about the same distance. It has
been therefore found unnecessary to undertake the
method of observation laid down in the letter 2020
of 24th October 1896 of the Sanitary Commission^{S.}
for Chadros.

2. He Municipally has however employed an observation staff consisting of 8 persons who have been posted at check gates with strict instructions to note down all arrivals from outside particularly from Bombay and Hyderabad and to immediately report all suspicious cases to the Local Medical Officer.
