Order No 708 min. 26/2/97

The municipal Council will be informed that provision was made in the Estimate of Provincial loans for 1897-98 for a loan of Rs 31,000 on account of the water supply scheme, as it was thought that this amount would probably be required for expenditure in that year, and credit has been taken for this sum in the municipal budget. The Sanitary Engineer has been directed in G.O. No 252 M. dt 19th February 1897, to undertake the preparation of this scheme in 1897, and until the plans and estimates for the work are sanctioned by Government, and the ways and means of meeting its cost are decided on, the Council need not take the loan.

To

The Secretary to Government
Local and Municipal Department
(through the Collector of Nilgiris.)

Sir,

I have the honour to submit for the consideration and orders of Government the following extract from the proceedings of a meeting of the Municipal Council, Coonoor, held on the 12th Instant.

Present

Brigade Surgeon Lieut Colonel W. Price

W. F. Donaghue Esq

C. Gray Esq

Loomer Sait Sait

Mr Dy. A. Komarasamy Mudaliar Avargal

Mr Dy. P. C. Rangjirow Avargal

Surgeon Major J. C. Reeves, and

J. A. Marjoribanks Esq. Chairman.

I Read G. O. No 135 M. dated 2nd Feb 1897 reviewing the Coonoor Municipal Budget for 1897/98, and G. O. No 268 M. Min. recording Sanitary Commissioner's remarks on the same.

Proposed by W. Gray and seconded by

Soomar Saib Saib that the Council would respectfully point out to Government that the scheme and estimates for the proposed water supply have not yet been placed before it, and until these have been received the Council cannot undertake to pay interest on the Rs 31,000 placed to its credit. The above scheme is one that calls for a special meeting, and requires much consideration as to the ways and means of meeting the loan. Until this is done the Council objects to the undertaking of any responsibility.
