1897.

No.

If Kondapalli is substituted
there will be some difficulty
about a medical officer, as
by the former order the D.F.C.O.
was directed to make his
HQs at Begwada. We c'd
not well transfer his HQs
to an unimportant place
like Kondapalli. Now is
there a subnys at that place.

SUBJECT.

Stating that Kondapalli is preferable
to Begwada for inspection station.

On the whole we better stick
to Begwada, & prosecute persons
who evade by alighting to evade
inspection

Kondapalli isn't a bad place.
We don't go to Begwada & there is a
good dark bungalow there in which
the D.F.C.O. could live. He could
conveniently in his office work there
as well as at Begwada. I don't see any ob-
jection except a few things no magts, which
is the point which should be taken to Begwada.
The Ch. can find a magt for Kondapalli, having
that place.
