Dr Eng No. 583 of 1897.

From

P. H. Wignie Esquire,

Collector & District Magistrate,

North Arcot.

To

The Secretary to Government  
Local and Municipal

Department, Madras,

Sir,

In reply to Government order No 655 M Mis dated 22.3.97 I have the honour to report that the segregation shed for natives (Male and female) has been ready for some time. There has been some delay about the others owing to great difficulty in getting materials and labourers able to do thatching work. Being dissatisfied with the progress I sent off the District Board Engineer to see to the matter personally. The materials are all at site and the sheds are partially erected, but it has been necessary to send round notices to Monegars
