GOVERNMENT OF MADRAS.

OFFICE OF SANITARY ENGINEER,

Fort St. George, 16 Dec 1896

LOCAL & MUNICIPAL DEPT.
CURRENT No. 335/M

From

J. A. JONES, Esq. MEM. INST. C.E., F.R.S.E.,

SANITARY ENGINEER TO GOVERNMENT,

To

The Secretary to Government,

Local & Municipal Department.

SIR,

With reference to G.O., No. 2095 M.Mis., dated 10th. December 1896, I have the honor to request to be informed whether it is the intention of Government that the Municipal Council should use the whole of the remaining funds now in its hands for the purpose of the extension of the water supply or whether the Government would wish this department to design the extension advisable & submit proposals in the usual manner. I ask this because the Council I believe desire the pipes to be extended to a distance considerably ^{beyond} ~~further than~~ the limits ever intended. It would also be desirable that as the scheme was executed by this department the extension should also be so & orders on this point are also requested.

I have the honor to be,

Sir,

Your most obedient servant,

[Signature]

Sanitary Engineer to Government.
