GO 32L/11-1-97

In Continuation of my letter No. 1543/11-12-96 I beg to state that the arrears under land tax therein alluded to, have not been adjusted as yet and to enclose, for orders of Government copies of Correspondence between the General Charge deputy Collector, Cuddapah Division and myself in the matter.

(2) In this Connection, I beg to state that, for the Collection of Municipal land tax, the Municipality had formerly a separate bill Collec

Collector but in February 1890 the Government, in reviewing the Municipal Budget for 1890-91, disallowed, at the suggestion of the District Collector, Mr. E. J. Sewell, the Council's proposal to appoint a separate Bill Collector for the Collection of the land tax. The Collection of the tax has ever since been entrusted to the village reddies concerned on payment to them of a Commission, at 6 per cent on the Collections made, from the Municipal funds. This system, however, has not been working satisfactorily. Not a single pie has, as yet, been remitted by the village reddies out of the demand of the tax for the Current official year.
