THE SECRETARY TO GOVERNMENT,

LOCAL AND MUNICIPAL DEPARTMENT.

OFFICE OF SURGEON-GENERAL

WITH THE GOVERNMENT OF MADRAS,

Madras, 25 March 1897.

1336 M

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

SIR,

With reference to Grant III of the Budget Estimate of the Vallajahpet Municipality for the year 1897-98, I have the honour to state that the hospital assistant attached to the dispensary thereat having passed the prescribed examination will be promoted to first class on the 30th June 1897 and be entitled to a higher rate of pay with effect from that date, but the Municipality made no provision for this increase apparently on the ground that (1) the expectations formed when applying for his services have not been realized and (2) the medical subordinate has given little or no satisfaction to the Council by displaying any interest or zeal in his work.

2. The former one was disposed of by Government in para: 4 (3) of G. O. No. 1631-M., dated the 23rd September 1896. As regards the latter, the District Medical and Sanitary Officer reports that all the previous reports on the hospital assistant are very favourable and the remarks made by the Chairman

Chairman were due to some feelings of
prejudice against the hospital assistant.

For these reasons and agreeably to
O. No: 404 M. Financial, dated the 17th
August 1885, the Municipality must meet
the increased rate of pay on promotion
and the pay provided for the hospital
assistant should therefore be increased
from Rs: 472-8-0 to Rs: 630.

4- With reference to para 43 of Chair-
man's letter, the hospital assistant reports
that he personally explained to the Chair-
man that the dispensary is not located
in the inhabited part of the town and
there are no quarters available within
200 yards of the institution. In such cases
the Municipality should see their way to
construct quarters for the hospital assistant
on the standard plan sanctioned by
Government.

I have the honor to be,

Sir,

Your most obedient Servant,

C. Libornet

Surgeon-Major-General
