Order—No. 569 M., dated 16th March 1897.

On further consideration, His Excellency the Governor in Council now resolves to appoint Bezwada an inspection station under No. 14 of the mufassal regulations under the Epidemic Diseases Act. The following notification will accordingly be published in the *Fort St. George Gazette* :—

NOTIFICATION.

The Governor in Council hereby appoints the railway station at Bezwada in the Kistna district to be an inspection station under No. 14 of the regulations prescribed for district municipalities and towns and villages under the Epidemic Diseases Act, 1897.

Not issued

2. The Collector of Kistna is requested to take steps at once to provide some hospital and segregation huts near the railway station at Bezwada. To start with, it seems sufficient if there are provided one male and one female hospital hut for Europeans and Eurasians to accommodate, say, two persons in each; one male and one female hospital for natives to accommodate, say, four persons in each; with the same number of segregation huts. Care should be taken to select a site where there is a good and sufficient water-supply, and if there are any buildings near this site, they may be made useful for the accommodation of medical officers and stores.

3. The Surgeon-General will be requested to depute a commissioned medical officer, one hospital assistant and one female medical practitioner to Bezwada for the inspection of railway passengers from plague-stricken tracts. If Surgeon-Captain W. C. Vickers has returned from Kumbakónam, it might be a convenient arrangement to require him to make his head-quarters at Bezwada until further orders and conduct this inspection, at the same time carrying on the routine duties of District Medical and Sanitary officer, the Assistant Surgeon being left at Masulipatam. The deputation to Bezwada of a separate commissioned medical officer would not then be necessary.

---

4. The Inspector-General of Police will be requested in the Judicial Department to make the necessary police arrangements for maintaining order and enforcing the regulations.
