My dear Sir
Herewith, the note
for the file I sent you
this morning. It seems
to have slipped out into
the blocking paper when
being despatched. With
apologies yours truly

Regulations prescribed and

H.M.

Please see the telegram below.

It reached me last night & I have not the relevant files here; but H.M. will remember that a fo was issued in regard to the Gaekwar's visit to Ootacamund; & this Dept issued orders, inter alia, to the D^r Surgeon Bellary to examine the Gaekwar's party if they visited Adoni - the Gaekwar, his Maharani & Princes & Princess being personally exempt on certain certificates &c being produced -

The fo of Bellary and telegraphs asking Adoni to be constituted an inspection station under Reg. 14 of the Plague Regs.

I did not anticipate that any difficulty was likely to arise owing to the want of this formality. Col. Martelli has been distinctly informed that the party could

be relieved from the usual
team. However as the
Govt has now raised the
question, it will be awkward
if any difficulty should spring
up & some countermeasures
to be taken to repay or counter
of it. refuse to submit. I will
propose therefore that we
telegraph.

"Your letter 2^d Gachwar.
Adoni notified to be temporarily
an inspection station under
Regulation 14."

And at the same time issue
a notice in an Extra. for
appointing Adoni accordingly
as the D. Secy of. Mysore &
Bellary to be the medical
officer appointed for the
purpose of Reg. 14.

After the Gachwar has
passed the notice will be
cancelled.
