SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

Local and Municipal DEPARTMENT.

SIR,

With reference to para 7 of G.O.No.315-M, dated 26th February 1897, I have the honour to state that I duly advertised for Female Medical practitioners both in the local and other papers but have up to date been able to secure only one candidate whom I am sending to Tuticorin.

2. The requirements of the other medical inspection stations viz: Guntakul, Arkonum, Bezwada and Podanur have to be met by withdrawing female Apothecaries from District Boards and Municipalities. Before, however, doing so I wished to ascertain if quarters were available for them at the various stations and the reply I have received from the Medical Officer at Guntakul, I enclose for the information of Government.

3. I request that as suggested by him the Southern Mahratta Railway Authorities may be addressed on the subject.

I have the honour to be,

Sir,

Your most obedient Servant,

C. Sibthorpe

My dear Jones,

Your G.O. of the 1st only
reached me last evening. A
female *Surgeon* is most
likely to be posted to *Frutukal*.
It was not, I think, the
intention of the Medical
Office that she should
be allowed to occupy

to occupy quarters in the
 railway premises. The
 Company must have
 several detached quarters -
 other than ordinary lines -
 for its upper Subordinates as quarters
 if it can be induced
 to make one of these
 available for the female
 Apothecary it will quite
 do - They might be
 suitable enough for a

Mr. 30

Chief Secretary's Office,

1st April 1897.

My dear Sir,

Please see your letter No 183 of the 30th March about accommodation for the female apothecary at Guntakal. The Medical Officer's letter enclosed - or the extract from it - is as indefinite as most things that come from Guntakal. Does he wish the S. M. R. L. Co. to be asked to allow the female apothecary to occupy quarters in the Railway premises? Are suitable quarters available if the Company chooses to place them at our disposal?

Yours

Then, will the female apothecary
be a Eurasian or a native?
The style of accommodation
will naturally be quite
different for either.

You ask the R^y Company
to be addressed on the subjects.

Will you kindly let me
know precisely the request
you wish to be addressed
to them.

Yours sincerely,
Signed G. S. Forbes.
