Office of the Sub-Assistant
Inspector of Schools, Tinnevely Range,
Dated 18th January 1897.

From M. R. G. S. L. Subba Rao
Sub-Assistant Inspector of
Schools
Tinnevely Range.

To The Assistant Inspector of Schools,
Madura - Tinnevely Division

Sir

I have the honor to bring to
your kind notice that the Panchama
S.R. School in the Palancottah
Municipality had put in an average
attendance of only 31 with the third
standard as the highest. Only one
teacher is given to the school on Rs 7.
No provision was made in the recent
year's budget towards the increase of
salary or staff as it did not require
at the time of the submission of the
same.

2. Now the school having been
removed to a locality in the heart
of the town, the strength has increased
to about 60 with an average attendance
of about 50. There is also a prospect
of increase. Besides, a 4th standard

has been opened since the beginning of September last.

3. I need hardly be to add that, for the successful working of the School, it requires 3 teachers on Rs 9, 7 & 5.

4. I fear funds will not permit of the increased establishment being given as suggested above, the budget having already been submitted.

5. I therefore be to request you will be good enough to recommend strongly to the Director of Public Instruction to provide at least for an additional teacher on a monthly salary of Rs 5 while forwarding the budget to the Government or supplementally as a special case, the school being solely intended for the most backward class.

I have &c.

Necessary provision will be made in the budget for 1898-99.

2. The additional cost for 1897-98 has to be specially provided for.
