To,

His Excellency Sir Arthur Eliban
Havelock G.C.M.G., G.C.I.E.,
Governor of Fort St George
Madras.

May it please your Excellency

We, the undersign the residents of Tirupati North Arcot most humbly and respectfully beg to memorialize and pray that on the grounds hereunder mentioned, your Excellen will be most graciously pleased to nominate M.R.Ry G. Srinivasa Rao Garu our Sub Registrar, to be the Chairman of our municipali in place of M.R.Ry K. Gopalachariar Avergal, our late Chairman (and Dep Tahsildar) whose term having expired by the 18th o this month.

II. That during the las 7 years the Deputy Tahsilda have been our Chairmen, we have experienced the of this municipality—viz—

These gentlemen (1)
who have been all the time
also our Deputy Tahsildars
(circuit officers) and magistrates,
are unable to devote a sufficient
portion of their time to attend
to the outdoor business as Chairmen,
their work having to be confined
to the office work and the attendance
at the meetings.

That as such, they (2)
shall be acting under an
enormous disadvantage of
not having the local knowledge
so very necessary for the due
discharge of the duties of a
Chairman and that in a place
of pilgrimage as remarkable
as our own, and which can
be acquired only by at least
an occasional if not a constant
inspection and scrutiny of
the different nooks and corners
of the locality.

That these diffi- (3)
-culties attain a climax
whenever the Deputy Tahsildar
Chairman becomes Tahsildar
with the whole taluq to travel
through. Though not invari-
-ably has he then to keep 3 or 4

---

a time when the presence of
the Chairman is most
anxiously and necessarily
desired on account of the
sudden outbreak of an
epidemic or other similar
cause— such as the one
Tirupati is experiencing
now— the hardship under
the circumstances cannot
be adequately described.

(4) That the local magis-
-trate being our Chairman,
all the cases of prosecution
under the Municipal Act,
have to be taken for trial, to
the stationary magistrate
at Chendragherry (a place
8 miles distant) a great
deal of expenses being in-
-curred under that head
year by year.

(5). That a great delay
and consequent trouble and
anxiety to the public, have to
be caused under circum-
-stances howsoever emer-
-gent in obtaining orders
from the Chairman, when he
happens as is so often the
case to be on circuit.

III (6) That whereas with

can not only expect to have a reasonable amount of time conveniently spared and devoted to that office, but there will be then not even the slightest chance of that officer absenting from the station, the office itself being a stationary one and all the anxiety and trouble attending on such absence, will then be no more.

That we will save (2) that additional expenditure, we have now been incurring in having to take over our cases to the magistrate at Chendraghery, for prosecution as the local magistrate will not, in that case be disabled from trying those cases himself.

That in our present (3) Sub Registrar, we have found combined an untiring energy and patience, and an ardent zeal in working for the welfare of the masses, coupled with the earnestness to enquire into and learn their wants and grievances.

That during the period (4) of nearly 3 years, he has already been in our midst, he has acquired

of the pros and cons of the question, we humbly beg to submit, that it is our unanimous belief that th nomination of our Sub Registrar as Chairman would in every way withou doubt, advance the interest of this municipality.

We all therefore with one voice pray for the nomination of M. R. Ry. G. Srinivasa Rao Garu Sub Rejistra as our Chairman.

We beg to remain,
Tirupati 22d Decr 96
Your Excellency's mo
humble Servants,

His Excellency Sir Arthur Elibank

Governor of Fort St George

May it please Your Excellency,

We, the undersigned, the residents of Tirupati North Arcot most humbly and respectfully beg to memorialize and pray that on the grounds hereunder mentioned your Excellency will be most graciously pleased to nominate M. R. Ry. G. Srinivasa Rao Garu, our Sub-Registrar to be the Chairman of our municipality in place of M. R. Ry. K. Gopala Chariar Avergal our late Chairman (and Deputy Tahsildar) whose term having expired by the 18th of this month.

II That during the last 7 years, the Deputy Tahsildars have been our Chairmen, we have experienced the following inconveniences, which have in various ways tended to affect the interests of this municipality — viz —

(1) These gentlemen who

have been all the time, also our Deputy Tahsildars (circuit officers) and magistrates, are unable to devote a sufficient portion of their time to attend to the outdoor business as Chairmen, their work having to be confined to the office work and the attendance at the meetings.

That as such, they shall (2) be acting under an enormous disadvantage of not having the local knowledge, so very necessary for the due discharge of the duties of a Chairman and that in a place of pilgrimage, as remarkable as our own, and which can be acquired only by at least an occasional if not a constant inspection and scrutiny of the different nooks and corners of the locality.

That these difficulties (3) attain a climax, whenever the Deputy Tahsildar Chairman becomes Tahsildar with the whole taluq to travel through. Though, not invariably has he then to keep 30 or 40 miles off from our station, yet, if this should happen at a time when the presence of the Chairman is most anxiously and necessarily desired, on

account of the sudden outbreak of an epidemic and other similar cause — such as the one Tirupati is experiencing now — the hardship under the circumstances cannot be adequately described.

(4) That the local magistrate being our Chairman, all the cases of prosecution under the Municipal Act have to be taken for trial to the Stationary Magistrate at Chandragherry, (a place 8 miles distant) a great deal of expenses being incurred under that head year by year.

(5) That a great delay and consequent trouble and anxiety to the public have to be caused under circumstances howsoever emergent in obtaining orders from the Chairman, when he happens, as is so often the case to be on circuit.

III VI (1) That whereas with the local Sub Registrar as our Chairman we can not only expect to have a reasonable amount of time conveniently spared and devoted to that office but there will be then not even the slightest chance of that officer absenting from the station, the office itself being a stationary one and the anxiety and trouble attending on such absence will then be no more.

That we will save that (2) additional expenditure we have now been incurring in having to take over our cases to the magistrate at Chenthragherry for prosecution as the local magistrate will not in that case be disabled from trying those cases himself.

That in our present (3) Sub Registrar, we have found combined, an untiring energy and patience, and an ardent zeal in working for the welfare of the masses coupled with the earnestness to enquire into and learn their wants and grievances.

That during the period (4) of nearly 3 years he has already been in our midst he has acquired good popularity and local experience

~~III~~ IV.

That on a calm consideration of the pros and cons of the question, we humbly beg to submit that it is our unanimous belief that the nomination of our Sub Registrar, as Chairman would in every way wit doubt, advance the interes of this municipality.

We all therefore wit one voice, pray for the nomination of M. R. Ry G. Srinivasa Rao Garu, Sub Registrar, as our Chairman.

We beg to remai
Your Excellency's
most humble
Servants,

Tirupati

FURTHER PAPERS.

G.O.	No.	Department.	Date.

North Arcot.
Head Assistant Collector's
office Ranipet 9th March 1897
Dis 1492 of 97

From
J.G. Burn Esquire
Head Assistant Collector of
North Arcot.

To.
The Collector of North Arcot.

Sir,

With reference to your endorsement on petition No 3125 of 1896 dated 8th January last, I have the honor to report as follows:—

The petitioners request that the Sub Registrar may be appointed Chairman of the Tirupati Municipality in place of the late Chairman (M.R.Ry K. Gopala Chariar). The objection is not personal to the late Chairman. What the petitioners want is that some one other than

break

the Tahsildar of Chandragiri or the Deputy Tahsildar of Tirupati should be appointed. The reasons assigned for this request are (i) that the last-named officers have no time to attend to out door work (ii) that their absence on circuit causes inconvenience (iii) that when the local Sub Magistrate is also Chairman the cases under the Town Nuisances ~~Act~~ and Municipalities Acts have to be tried at Chandragiri.

2. I have made personal enquiries from some of the petitioners, Councillors and others and have obtained the opinion of the ~~late~~ late Chairman on the petitioners' objections.

3. All the Councillors (including the present Chairman delegate) whom I have met and the late Chairman are unanimously of opinion that the Municipality has not yet arrived at a state in which its Government can be satisfactorily carried on under a non official Chairman. They add that for this purpose the Sub Registrar must be considered a private individual. These are the persons who have the best means of judging of the working of the Municipality. I agree with their view.

4. In this connection I may point out that the first Chairman of the Municipality was a non official and that Government in its review remarked that under his Chairmanship" the history of the Tirupati Municipality furnishes a most discreditable record of negligence and mismanagement under all branches of the administration". Since then the office has been held by an official and the reviews have been more favorable. Collection work has always been indifferent

x In G.O. 1430 M of 88

break

in the town and under a non official Chairman I believe it would become worse.

5. There is no doubt something to be said for the objections raised by the petitioners and this is especially the case with reference to the Tahsildar. The Municipality is not his head-quarkers and in the ordinary course he ought only to visit it on circuit. He has frequently to be absent at a considerable distance from the town. However the only case in which a Tahsildar has held the office is when he has been promoted from Deputy Tahsildar to the temporary Charge of the Taluq. I think it is certainly inadvisable that he should hold the Chairmanship in any case in which his appointment is likely to be long continuing. If he is only acting for a short time there would be no objection

this delegation

6. The case of the Deputy Tahsildar and Magistrate is different. The Municipality is his Head quarkers, he is required to do only ten days touring in a month and (with the except of Mamandur) ~~and~~ the limits of his division are not more than ten miles distant from Tirupat. For these reasons I do not think his absence on circuit can cause the great inconvenience compla of by the petitioners. The other o -tions to his appointment are it necessitates the transference Municipal cases to Chand and that he cannot dev sufficient time to inspecting town. The petitioners compl to me that the dispose cases of Chandragiri not and causes inconvenience an

in the town makes the authorities reluctant
to take up cases of petty nuisance &c.

The objections of the peti-
mers may be met to a great ex-
t and without much difficulty.
to the first objection I would suggest
e creation of a Bench Court (with
ne one other than the Sub Magis-
ate as Chairman) which could dis-
e of all the petty cases within
unicipal limits. As regards the
nd objection it is no doubt true
the Deputy Tahsildar has not
h time to spare for out door
but the remedy appears to
lie in the other Councillors
a little more active interest
management of the town
not relying on the Chairman
all the necessary inspection.

Sir,

In reply to endorsement No. 70 / 25.1.97, (enclosures returned) I have the honor to enclose a copy of a report from the Head Assistant Collector.

2. Up till lately the Sub-Registrar used to be in charge of the Deputy Tahsildar's treasury during the occasional absences of the Deputy Tahsildar, but the Inspector-General of Registration represented that this extra work interfered seriously with his own duties which were heavy and

he was relieved of it. It is obvious therefore that he could not undertake the duties of Chairman.

I have the honor to be,

Sir,

FOR ORDERS.

The term of office of M.R.Ry. K. Gopalachariyar, the local sub-magistrate and Deputy Tahsildar, as a councillor & Chairman of the Tirupati Municipality having expired on the 19th December last, his reappointment for both the offices was, on the recommendation of the Collector of North Arcot, ordered to be gazetted.

2. In the letters read above some of the inhabitants of Tirupati object to the reappointment of this officer as Chairman on the grounds chiefly, (1) that Deputy Tahsildars are unable to devote a sufficient portion of their time to the outdoor work of Chairman, (2) that whenever the Deputy Tahsildar goes on circuit or is appointed a Tahsildar with the whole taluk to travel through, a great deal of inconvenience and delay is caused in obtaining orders from him, the hardship being greater if an epidemic happens to break

break out in the town during the time, & (3) that the Chairman being also the magistrate, all ~~classes~~ cases of prosecution under the Municipal Act have to be taken for trial to the Stationary Sub-Magistrate at Chendragiri, a place 8 miles distant, much additional expenditure being caused thereby; They accordingly request that G.Srinivasa Rao, the local Sub Registrar, may be appointed in his stead.

4 The Chairmanship of the Tirupati Municipality has been held by the local Deputy Tahsildar almost ever since it came into existence. In 1892 when the Deputy Tahsildar was recommended for the place, the then Hon'ble Member (sir Henry Stokes) first remarked that he did not like the arrangement, but subsequently approved of it as it was unavoidable and had lasted for sometime without objection. The notifications reappointing M.R.Ry.K.Gopalachariyar as a councillor & Chairman have been withheld pending orders on the above petitions.

Ask the Collector to report on the petitions.

J.A. 22/1/97

The Collector now forwards a report from the Head Assistant Collector and states that the Sub-registrar, who used to be in charge of the Deputy Tahsildar's treasury during his occasional absence from the station, was on the representation of the Inspector General of Registration, relieved of the extra work, as it seriously interfered with his own heavy duties and that he could not therefore now undertake the duties of the Chairman, as desired by the petitioners. The Head Assistant Collector reports that all the Councillors including the present Chairman delegate and the late chairman are unanimously of opinion that the Municipality has not yet arrived at a state in which its management can be satisfactorily carried on under a non-official Chairman and that for this purpose the Sub-Registrar must be considered a private individual. In this connection reference is also made to the unsatisfactory condition of the Municipal affairs under the first Chairman of the Municipality, who was a non-official- The Head Assistant Collector is not in favour of permanently appointing the Tahsildar as Chairman for various reasons. But in the case of the Deputy Tahsildar and Magistrate, he thinks that his absence on circuit cannot cause the great inconvenience complained of by the petitioners, as the Municipality is his head quarters and he is required to do only 10 days' touring in a month. He observes that if the Deputy Tahsildar cannot spare much time for out door work, the remedy will be in the councillors taking a little more active interest in ~~the~~ Municipal work. As regards the third objection raised by the petitioners, the Head Assistant Collector considers that it can easily be met to a great extent by the creation of a Bench

Mr Wynne apparently agrees with the Head Asst. Collector, whose report on the whole shuts us up to the Collector's original nomination of the Deputy Tahsildar, ~~and~~ the order to gazette the appt last December (G.O. 2126 M. J. 18.12.96.), which was never issued, being withheld on account of the receipt meanwhile of the protest, may now issue.
