states that the lands may be acquired without causing the least hardship to the temple authorities. He adds that there is no sanctity attached to the stone arches, etc, which will be removed by the Municipality.

Statement of Kapappa Shetti, aged about 39 years,
son of Sheshagiri Shetti residing in Brahmin's
Lane, Mangalore Town, recorded by the Revenue

Inspector of Mangalore Division, on 27th August 1896.

I heard Taluk order No 2596 and Huzur
order, etc, read and saw the sketch. It
appears plot No 1 on the sketch is required
by the Municipality for widening road
No 4 on the sketch. Plots Nos 1 and 6 forming
part of Muliwarg No 40 of Kodiyalbail
village, are assessed at Re - 12-1. They
were purchased by my father some 14
years ago for 700 Rs. It is now about 4
years since my father's death. He has
four heirs in his sons viz Manjunatha Shetti
aged about 28 years, Narani Shetti, aged about
~~25~~ 15 years, Krishna Shetti, aged about 13 years
and myself. He has no other heirs. We
all live together and undivided in a house
situated in plot No 6. I am the Yejaman
or the managing member. Plots Nos 1 and 6
on the sketch being of very small
extent are themselves insufficient for
our wants. Besides a portion of the shop
where we work as goldsmiths for our
daily bread stands on a portion of plot
No 1. The road in front of plot No 1

has a sufficient width of 14 feet. I don't see the Municipality desirous of widening the portion of the Rice Beaters Street to the south of that plot which is far narrower than this. I am poor and helpless. The land occupied by me at present being itself too small, I am labouring under a disadvantage. It is therefore not proper that I should be harassed for it. I, therefore, cannot consent to part with any portion whatever of plot 1001, under any circumstances.

Admitted to be correct when read over in Canarese.

Statement of 1 Bolur Krishnaya Achari, 2 Basavanna-judi Narana Achari, 3 Kantachari, 4 Janardhana Achari, 5 Kodialbail Manjappa Achari, muktessars of Kalamma temple of Mangalore Town, recorded on examination by the Revenue Inspector, Mangalore Division, on the 27th August 1896.

We heard Taluk order No. 2596 and Huzur order etc. read to us. We saw the plan enclosed therein. It seems that plots Nos 1, 2 and 3 on the sketch are required by the Municipality for widening the road. Of these plots Nos 2 and 3 form part of wargs Nos 8 and 11 of Akkali Kom, of Cusbah Bazaar, belonging to the Kalamma Temple of Mangalore. We are the muktessars of that temple. We collect the produce of the temple lands and the subscriptions, donations etc, received therein, and we defray therefrom the expenses of the customary ceremonies, puja, carfeast, shimatol, illumination, etc, in honour of the God. We are not exclusively entrusted with the management of the temple and its lands. Our caste people of the undermentioned 8 centres of our sect also look thereafter.

What is marked C (on the sketch) is the Kalamma temple. In front thereof, by the side of the road, there are stone mounds or raised seats, marked A and B (on the plan), and also a stone arch or gopura (a gate overbuilt with a tower etc.). D. on the sketch is an Ashwatha Katte (fig tree mound), whereon the goddess Kalamma is seated during the annual car festival and the illumination feast. Close to the plot marked A.B. on the sketch and to the stone arch or gopura the worship of Panjurli and Guliga devils is performed, when the materials connected therewith are also placed over the A and B mounds. The Malkas and Pambadas possessed with the devils also dance at the place on the occasion. The place is also illuminated. During the time of Jatra (festival) a large concourse

of people assemble on the vacant elevated ground, etc, lying between the temple C on the sketch and the road No 4. E. on the sketch is a Mutt belonging to the temple. When it (mutt) is illuminated, rows of light are erected as far as the step on the plot marked No 2 on the sketch. Crowds of people assemble there on the occasion. Plots Nos 2, 3, 7 & 8 on the sketch are also used for the same festive occasions as aforesaid and large crowds also gather thereon for several days. All these feasts are connected with the customary observances of our religion. During these feasts the present land being insufficient people have to stand on the public road. Therefore plots Nos 2 and 3 on the sketch cannot be given up under any circumstances. Besides, we request that the people at the 7 (other) centres may also be consulted in the matter.
