GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

ORDER—No. 859 M., dated 10th April 1897.

The Government notes with regret that the attendance of the official members of municipal councils has for some years past been generally indifferent. No doubt the duties of some of them are such as to necessitate their being much away from headquarters; but this circumstance cannot be accepted as a full justification of their frequent or continuous absence from the meetings. This neglect has been repeatedly animadverted upon in the reviews of previous years. The Collectors of districts are therefore requested to impress on the official councillors that it is a part of their duty to make every endeavour to be present at the meetings of municipal councils, and that any remissness on their part will be viewed by Government with grave dissatisfaction.
