Sir,

In continuation of my letter
No. 140 dated the 20th February 1897 submitting
the Budget for 1897-98, I have the honor
to submit herewith extracts from Council's
Resolutions No. 16 and 1 dated the 20th Instant.
2. In the former resolution, the Council pro-
poses to employ a market superintendent on
Rs 6 per mensem and manage the market
departmentally, as the highest bid at the
auction held for leasing out the same
is so small as Rs 491 against Rs 600 an-
-ticipated in the Budget. Sanction of
Government is therefore solicited for the
entertainment of a market Superintendent
on Rs 6. A proposition Statement is herewith

3. In the latter resolution, the Council proposes to reduce the allotment provided in the budget for the next year under Drainage (Repairs) from Rs 850 to Rs 300.

On a reference made by me, the Superintending Engineer, in his letter N. 124 M. dated the 8th March 1897, stated that ~~there~~ ^{there} was nothing whatever the matter with the level and that no work was necessary. The Council, while accepting the opinion of the Superintending Engineer, thinks it necessary to re-floor the drain wherever needed at a cost not exceeding Rs 300. This seems necessary.

4. I request that the Government will be pleased to make the necessary alterations in the Budget for 1897-98 already submitted.

I have the honor to be,

Sir,

Your most obedient Servant

Chairman.

The bid of Muhammad Abdul
Aziz Sahet for Rs 2740 for Tolls
will be accepted.

The market will be worked
departmentally. A market Superintendant on Rs 6 will be employed.
