Sir,

Adverting to G. O. No 34 M. No of 11.1.97

I have the honor to submit the following
for reconsideration

2. The scavengers have put in an application
for an increase of pay on 19.10.96 owing to the
exceptionally high prices in the market. It
was laid before the council which resolved
that the petition should lie over.

3. They again moved the council pressing
the necessity on 16.11.96 when there were grain
riots in Bezvada and in the neighbouring towns

4. On this, the Council sanctioned an increase
of Rs 1-00 per head for November and December 96

5. When the salaries for November 96 were

about to be disbursed to the said scavengers they refused to receive the pay and struck work

6. A special meeting was then called on 2-12-96 when a resolution was passed to the effect that the increase may be paid pending the sanction of Government.

7. The increase was accordingly paid during November and December 96 when the prices were abnormal

8. The scavengers get Rs 5 a head per month and they used to get something in addition by working private latrines and this work has since been taken from them by the Municipality and they are to live upon on their salaries.

9. Considering that Rs 5 is below the living wage, the Council has already recommended in the Budget for 1897-98 an increase of one rupee per head per month from the next year

10. Copy of resolution No 9 is

also enclosed for perusal

11. I therefore request under the above

Circumstances, that the increase now disallowed may be sanctioned

I have the honor to be

Your most obedient servant

It must be ad-
mitted that scavengers
are a very difficult
class to deal with
in these parts and
much as it is almost
impossible to get
them
