GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper:—

From the Under Secretary to Government, North-Western Provinces and Oudh, to the Secretary to Government of Madras, Local and Municipal Department, dated Allahabad, 15th March 1897, No. 157—XVI-404B.

In compliance with the instructions contained in the Government of India, Home Department, letter No. 6-Sanitary—605, dated the 20th February 1897, I am directed to forward, for the information of His Excellency the Governor, a copy (with three spare copies) of the notification marginally noted which has been issued by this Government under the Epidemic Diseases Act.

ENCLOSURE.

NOTIFICATION of Government of North-Western Provinces and Oudh, Sanitation Department, dated 4th March 1897, No. 129—XVI-404B.

In exercise of the power conferred on this Government by notification, No. 302, dated 4th February 1897, of the Governor-General of India in Council, the Lieutenant-Governor of the North-Western Provinces and Chief Commissioner of Oudh is pleased to make the following orders under Act No. III of 1897 (An Act to provide for the better prevention of the spread of dangerous epidemic disease), in continuation of the regulations issued by notification, No. 58—XVI-404B, dated 12th February 1897 (to be inserted as rules 21A and 82A in the said regulations):—

"21A. Every occupier of a 'factory' shall, on employing in his factory any person who has come from the Bombay Presidency or Sind, immediately give notice in writing of the fact of such employment to the Magistrate of the district, and shall report to the Magistrate the name and address of the person employed.

"The word 'factory' used in this rule means any premises wherein is carried on any process for, or incidental to, making, altering, repairing, ornamenting, finishing or otherwise adapting for use or sale any article or part of an article; and wherein steam, water or other mechanical power is used in aid of any such process."

"82A. When any through carriage from the Bombay Presidency is detached from a train at any railway station in the North-Western Provinces and Oudh, it shall be disinfected or ventilated in the following manner as soon as possible, and before it is again brought into use:—

"Third and intermediate class carriages—

"The interior wood work of the carriages, especially the floors and seats, should be thoroughly washed with a solution of perchloride of mercury (1 in 1,000), or with a carbolic acid solution (a wineglassful to a gallon): the doors and windows should be opened, and the vehicle exposed to the air.

"First and second class carriages—

"The floors and wood work should be treated as above, the cushions being also brushed and thoroughly cleaned."
