His Excellency Sir Arthur
Edibank Hacllock G. C. M. G. C.
Governor of Madras.

My Lord,
May it please your Excel-
lency to hear this petition of
mine Meir Abbas Ali son of
the Daroka to His Highness
the late first, second and
third Prince of Arrot and by
to bring to your Excellency's notice
the following brief facts.

I was lately employed as
an Agent to the prevention of
cruelty to animals and as such
came to understand the several
frauds of Stable keepers in
regard to the Municipal tax
to be levied on the short number
of Carriages and horses. Since
I was employed under Veterinary
Surgeon W. Robertson who had in
his possession 10 Carriages and
6 horses

subscribed to the cause of
prevention to the Court of the
Borough North Street

21. Bangam Nair Street

I am prepared to give your Excellency some further particulars in person. If I am allowed to call over to your Excellency's presence. For the list herewith attached will give approximate number of Carriages & horses only in the General Patter's Garden Road and does not include the carriages and horses of Stables throughout the Madras City.

For which act of charity and kindness I and my large poor family as in duty bound with ever pray for your Excellency's longevity and prosperity of your Excellency's precious life.

Sir
I beg to bring to your
notice that your wheat tax
Inspectors do not do their
work as they should and
overlook a number of carriages
and horses if you appoint me
as a detective Officer or Commissioner
for the whole right Division
I shall bring as many as I can
and it will be a great profit
to the Municipality. I shall
like to know what Commissioner
you will give me on each carriage
and horse. For which I shall
be most thankful. I beg to remain

Municipality Madison

Sir I most humbly & respectfully
beg to bring to your notice that your
Ward Tax Inspectors and
Canvassers do not do their
work in finding the Carriages
and horses of Stable Keepers.
They overlook many and cannot
give an accurate account of
the Carriages and horses what the
Stable Keepers and others possess
and they are not bringing into tax
the Carriages and horses of
Stable Keepers and others are
engaged by the Officials and thus
they negligently make the Municipality
loser of tax and Revenue and
make profit to the Stable Keepers.
As for instance Mr. Robertson
had 10 horses and 6 Carriages,
whereas the tax were collected
by your men only on 2 Carriages
and 2 horses in a year and it
was proved by me. If you
dearly

deeply go throughout the town, you may
judge how many hundreds of
Carriages and horses may be
overlooked by your men. I
therefore humbly beg if your honor
be pleased to appoint me as a
Detective Officer, on a certain
Commission, for the whole &
Division. I shall no doubt
render you every satisfaction
and thereby make a good profit
to the Municipality by proving
as in Mr Robertsons case; also
I may mention for your honor's
information that I know
almost all the Stable Keepers and others
of the owners of the Carriages and
horses in the Town of Meadmoor
as I was an Agent to the Society
of Prevention of Cruelty to animals
and was a Stable Keeper in Meadmoor.

I beg to remain

To The Revenue Officer
Municipal Commission
Meadmoor

Sir I beg respectfully to
submit that by neglect of
your wheel tax Inspectors
and Concealers, there are
about 300 cases of horses and
carriages for which the owners
failed to take out license. If
you will kindly appoint me
as a Detective Inspector and give
me a Commission at the rate of
one guinea for each horse and carriage
proved to have to be without license
for which the owners can be com-
pelled to take out license. I shall
further report to prove you more
than 300. Such cases the Municipality
certainly loses nothing by engaging
me but on the other hand it is likely
to give about £1500. every half year.

John of Meadmoor
