SUBJECT.

Soliciting sanction for two drain cleaners being employed permanently from the 1st April 1897.

Note The Municipal Council proposed in the budget for 1897-98. to reduce the number of drain cleaners from six to five, but this was disallowed as the Comr. thought it unexpedient. The necessity for the proposed additional men was apparently foreseen when submitting the budget. The Chairman, M.C. Cochin

Sir,

I have the honour to forward herewith for favourable consideration of Government extract from the proceedings of the Municipal Council, dated 6th March 1897, from which it will appear that the Council proposes to employ two additional permanent drain cleaners on a salary of Rs. 6 each per mensem from the 1st April 1897, subject to the approval of Government.

2. I may add that as some of the drains were found to be in a very unsanitary condition, these men have been entertained in anticipation of orders of Government. I therefore request the Government will be pleased to accord its sanction of their being employed permanently from the above date.

3. The usual proposition statement is herewith submitted for approval.
