Through the Collector of Tirunelveli.

Sir,

Enclosures 22. With reference to Government Order N^o 257 M. (Local and Municipal Department) dated 20th February 1897, I have the honor to state that the circumstances under which it was proposed to contribute Rupees 30 towards the cost of the District Medical and Sanitary Officers' establishment are as follow.

The

The Municipal portion of
the work which his establishment
had to do was reported by the
District Board President to
be about $\frac{1}{5}$ of the total quantity
turned out by it. As there
were four Municipalities in
the District and as the work
in connection with each
Municipality was approximately
equal, $\frac{1}{4}$ of $\frac{1}{5}$ of the establishment
charges was required to be con-
tributed by the Council. The
Council approved of the pro-
posal at their budget meeting.
Copy of the correspondence
relating to the subject is enclosed.

I have the honor to be,

Sir,

Your most obedient servant,

Chairman & Deputy Collector.

the establishment is about $\frac{1}{5}$ of the total office work, the work in connection with each Municipality being approximately equal. I have the honor to request that you will be good enough to inform me at an early date whether the Municipality is prepared to contribute $\frac{1}{4}$ of $\frac{1}{5}$ of the total cost of the proposed establishment, that is, Rs. 28 per annum as shown below:

	Proposed pay for the year.	
Head Clerk	35 x 12 = 420	Rs.
2 nd Clerk	12 x 12 = 144	
	Total = 564	
$\frac{1}{5}$ of the total cost	$\frac{564}{5} = 112$	
$\frac{1}{4}$ of $\frac{1}{5}$ of the cost	$\frac{112}{4} = 28$
