This Order No 922 in M.O. (14-4-97)

The proposition statement and the required allotment of funds are sanctioned, but as already pointed out in para. 1 of G.O. No 936M, dated 5th June 1895, the salary proposed for the toll-gate keepers seems too low to ensure even moderate honesty.

2. The whole of the receipts from tolls should be credited to Municipal funds, the cost of the establishment and contingencies being brought to account ^{separately} on the expenditure side, and the present allotment of funds should be met from the closing balance into which the increased receipts from tolls will merge.

3. The Chairman's letter should have been submitted through the Collector, as required in G.O. No 1162M, dated 4th September 1893.
