Enclosure.

SIR,

In forwarding letter No 621 dated 30th March 1897, from the Chairman Municipal Council, Salem, I have the honor to state that if given effect to the recommendation of the Council would render the organization required in G.O. No 1536 M dated 9th September 1896, Local and Municipal, futile. To appoint Circle Inspectors on Rs 6 to combat Cholera is a mere waste of public money, and the making a farce of steps held in all civilized countries to be required. I advise that the paper be returned to the Council, with a request that they put in for an efficient manner of organization laid down for the guidance. A memorandum

attached
