FOR ORDERS.

As it appeared to Government that the Chairman and the municipal Council of Trichinopoly were unwilling or unable to carry on the administration of the municipality in the manner which the safety and well-being of its inhabitants required, and were resolved to endeavour to prevent the execution of such measures as would bring the working of the town into better order, and as the Government was unwilling to permit the interests of one of the largest and most important towns in the Presidency to be disregarded and endangered by the action of the local body to which the care of these was entrusted, a notification was issued in G.O. No. 1490 M. of 14th Sept. 1895 depriving the municipal Council of Trichinopoly of the power

of electing its own Chairman and reducing the number of Councillors to be appointed by election from 18 to 8. A Deputy Collector named P. Singaravelu Pillai was then appointed as Chairman of the municipal Council in Decr 1895 and he was succeeded by the present incumbent Khader Naoor Khan Sahib in Sept 1896.

2. On the requisition of ^{nine} of the municipal Councillors a meeting was held on the 25th Feb. 1897, at which ^{thirteen} 13 members including the Chairman were present and it was resolved by a majority to request Government to restore to the Council the privilege of election which was withdrawn from it in Sept. 1895. In forwarding this resolution of the Council, the Collector states that he is not prepared to support it as in his opinion the paid Chairman should not be disturbed after so short a period of office without reason.

3. The following draft order is submitted for approval.

Order

The Government is not prepared at present to comply with the Council's request.
I should prefer to say "The matter must stand over until the Act which has recently been passed for the amendment of the District Municipalities Act IV of 1884 has come into operation."

My view is that when the new Act comes into force we should take up this similar cases & while restoring the privilege of election insist on arrangements being made for the appt. of competent Secretaries.
