THE Secretary to Government,
Local and Municipal Department,
Madras.

Sir,

In Submitting herewith extract from Proceedings of the Municipal Council Coimbatore, I have the honor to state, with reference to para 3 of G.O. No. 699 Mis; dated 25th March 1897, that it has been proposed to build a Hospital in Commemoration of the 60th Year of Her Majesty's reign out of private Subscriptions and if it is carried out the present Hospital building will be available for women and children's dispensary and with reference to para 4 (3) that the Council is of opinion that the present Staff of Inspectors and their Salaries be allowed to remain as they are at present till the close of the official year.

2. At the time of the preparation of the Budget the Staff consisted of 4 officers — Mr. Mackintosh being the Overseer and Head Nuisance Inspector on a Salary of Rs 50 with a pony allowance of Rs 15 per month. The other three officers were Krishnaswami Mudaliar —

Sreeninawa Mudaliar and Kalappa Goundan with a Salary of Rs 30, 25 & 20 per Mensem respectively..

3. Mr Mackintosh the Head Nuisance Inspector resigned his appointment and in his place was appointed Marilamoni Mudaliar a retired Supervisor of the Public works Department on a Salary of Rs 40 with an allowance of Rs 15 per Month. This reduction of Rs 10 in the pay was effected in Consideration of this Newly appointed officer being entirely relieved from duties Connected with Sanitation. There are thus only three officers entrusted with the work of Supervision as regards Sanitation. These receive together Rs 75 per Month - 5 Rs in excess of the Minimum Salary proposed under G.O. 4 Me dated 4th January 1877 - for the Minimum No (2) of Sanitary Inspectors - this Municipality having only a population of 46 thousand and odd.

vide paras 467 the Chairmans letter mgo no 899 dt 25th December 97

4. Krishnaswami Mudaliar has not passed the requisite Examination and he cannot be compelled under the rules to qualify himself for the post by undergoing training. He has however voluntarily expressed his willingness to undergo training and present himself for the next Examination. Kalappagoundan though an unpassed candidate has been a faithful Servant of the Municipal Council for a longtime and his Services cannot be dispensed with all at once. Sreeninawa Mudaliar is the only passed Candidate but cannot be put above Krishnaswami now being junior in Service to the latter. It is therefore proposed to allow the three officers to continue as at present and grant a pony allowance of Rs 15 per Mensem to the qualified Inspector

to enable him to exercise Supervision over all the wards of the town. Under these circumstances I request the Government will be pleased to Sanction the arrangement proposed by the Council till the end of this official year.

I have the honor to be,
Sir,
