Sir,

Referring to your endorsement Ref on our
No 485 dated 12-4-97 on letter No. 22 290 Eng
dated 2-4-97 from the chairman Municipal Council,
Lecanada (herewith returned) I have the honor
to state that I fully endorse the action of the
Council in enhancing the fee to be levied on
occupation of road margins from 2 annas to
4 annas a square yard per annum. The
tendency on the part of the merchants to
occupy road margins has, of late, grown to
such an extent that some action is needed
to check it. It is believed that the enhance-
ments will, to some extent, serve the desired
purpose, without, in any way, telling on the
resources of the merchants who are deriving
immense profits by such occupation. It
seems that when the Council proposed in the
Budget
