Sir

I am Submitting herewith copy
of the Resolution of the Municipal Council No 270
dated 20th July 1897. I have the honor to request
that Government will be pleased to see their way
to empowering the Municipal Servants therein specified
to exercise the powers of a Police Officer under clauses
of Section 282 of the District Municipalities Act.

2
This is a large and important
town with an ever increasing population and sani-
tation engages the foremost attention of the Municipal
Administration

3
The masses who have no idea
whatever of cleanliness and sanitation commit
nuisances in broad daylight in public streets
and lanes, sometimes under the very nose of the
Sanitary Staff who are powerless to detain offenders
of the kind till Police assistance is secured, which
necessarily takes some time. In a few instances,
it so happens that the scene of the offence is a
little way off from the beat point so that the beat
constable even if available is precluded by depart-
mentals

mental rules from rendering timely assistance, the result being that offenders escape with impunity and all warnings on the part of the Sanitary Staff has no deterrent effect.

4. The Officers recommended are men of education and are in no way inferior to the ordinary run of constables and can therefore be safely trusted with the powers proposed to be given them.

5. As for the Water Works Overseeer who is an educated and well paid Officer, it is desirable that he should also be invested with similar powers for the protection of the reservoirs and fountains in order to prevent unnecessary waste of water by bathing at the fountains &c and damage to the cocks

6. I need scarcely say that it is solely in the interests of Sanitation and the Water Works that this application is made.

I have the honor to be
Sir,

Your most obedient servant

R. P. S.
Chairman
