GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following papers:—

G.O., No. 179, Financial, dated 20th February 1897 (paragraph 10).

ABSTRACT.—Approving the Surgeon-General's recommendation to reduce to Rs. 10 and 5, respectively, the rents paid by Government towards the Tellicherry and Negapatam hospitals for the use of the wards set apart in those institutions for the police sick.

From M.R.Ry. P. RATNASABAPATHI PILLAI Avargal, Chairman, Municipal Council, Negapatam, to the Secretary to Government, Local and Municipal Department, dated 19th May 1897, No. 110.

Adverting to G.O., No. 543 L., dated 18th March 1897, I have the honour to submit herewith an extract from the proceedings of the council, dated 6th May 1897, No. 11, regarding the police sick ward in the Negapatam hospital. The council considers that the existing wards are inadequate for the in-patients that attend the hospital and that it is hardly possible for it to spare one separate ward for the police sick. It has therefore resolved to request Government to issue orders for the construction of a separate ward of its own for the police sick. I beg therefore to request that Government will be pleased to issue early orders for the construction of a separate ward for the police sick within the hospital compound.

ENCLOSURE.

EXTRACT from the Proceedings of the Municipal Council, Negapatam, at a meeting held at 5 P.M. on Thursday the 6th May 1897.

Read G.O., No. 543 L., dated 18th March 1897, regarding the contributions paid by Government towards hospitals and dispensaries.

Note.—The contribution of Rs. 12 hitherto paid by Government as rent for the police sick ward has been reduced to Rs. 5 per mensem.

Also letter from the Civil Surgeon, dated 22nd April 1897, furnishing certain information regarding the contingent charges of the police sick.

The Chairman moves that Government be requested to cause a separate ward to be built for the police, as the present accommodation is insufficient for other in-patients.

Resolution.—Resolved that Government be requested to issue orders to build at its cost a separate ward for the police sick in the hospital compound, as the present accommodation is inadequate for other in-patients.

Resolved also that the Civil Surgeon be requested to cause the cost of the medicines, &c., supplied to the police sick to be recovered every month from the Police department.

Referred to the Inspector-General of Police for report.

(By order.)

9th June 1897.

Acting Under Secretary.

From M. HAMMICK, Esq., I.C.S., Inspector-General of Police, to the Chief Secretary to Government, dated Madras, 10th August 1897, No. 2807.

In returning the enclosures received with Judicial Department endorsement No. 1209, dated 9th June 1897, on letter from the Chairman, Municipal Council, Negapatam, I have the honour to report that the police hospital at Negapatam may be abolished. Negapatam is connected with Tanjore by rail and all police patients can be treated at the latter place. The Superintendent of Police, Tanjore, and the Deputy Inspector-General of Police agree with me. The abolition of this hospital, if approved, will save Government a sum of Rs. 60 per annum.

Transferred to the Public Department.

14th August 1897.

(Signed) W. FRANCIS,
Acting Under Secretary.

ORDER—No. 1183, Public, dated 8th September 1897.
