I do not see what the San. Bd. has
to do with it - rather if any
advice is reqd. It is the duty of the D.S.W.

As to it has it not been decided
that execution remains with D.S.W.
or is there any latitude

The Sanitary Board.

SUBJECT.

Out-door Staff

Requesting that Govt. may
be pleased to sanction two
superintendents on Rs 150/-
each a month for one
year viz 1898-99 for the
additional works in
respect of certain water
supply schemes.

Chairman

(1) The Sanitary Engineer requests sanction for the entertainment of two Supervisors on Rs 150 each. to complete the Cojeveram water works and to carry out the extensions of the Tanjore and Trichinopoly works, for which plans and estimates are now under preparation. If however the two latter works are executed by the Public Works Department as usual, the entertainment of the second Supervisor would be unnecessary. The reference to the Sanitary Board was proposed in order to obtain its opinion as to the expediency or otherwise of allowing the extensions to the Tanjore and Trichinopoly works, to be carried out by the Sanitary Engineer on which the necessity for the proposed staff depends.

(2) The execution of all drainage and water supply works was transferred to the Public Works Deptt in G.O. No. 2673 MD 9th December 1895. The ~~order~~ was doubt absolute, but the Govt. can make an exception, if it is satisfied of the necessity for it, as was done in the case of the extensions to the Cojeveram water works - Vide G.O. No. 1916 MD 1st September 1897.

V.R.
27/9/97

for orders as to whether the works sh^d be carried out by San. Eng. or by P.W.D.?

The San. Eng. can of course complete the Cojeveram works which he has begun - But he has no work going on now at Tanjore or Trichy - Why should he start work there again? I should say the P.W.D. sh^d carry out the extensions at those places. But what does the C.E. think?

3077/97

I agree with the remarks of the H.M. The Sanitary Eng. should complete the Cojeveram work - the P.W.D. sh^d carry out the Tanjore & Trichy work

GOVERNMENT OF MADRAS.

OFFICE OF SANITARY ENGINEER,

Fort St. George, 17th Sept 1897.

From

J. A. JONES, Esq., MEM. INST. C.E., F.R.S.E.,

SANITARY ENGINEER TO GOVERNMENT.

To

The Secretary to Government,

Local & Municipal Department.

SIR,

I have the honor to inform you that the

sanction accorded in G.O. No. 711 dated 20th September '95

Financial, for the retention of the out-door staff con-

sisting of 2 Assistant Sanitary Engineers at Rs 450, 1

Supervisor at Rs 200 & 4 Supervisors at Rs 150 each, expires

on 31st March 1898. All this staff is no longer required,

but to carry out the additional works in respect of Con-

jeeveram Water Supply sanctioned in G.O. No. 1916 M dated

1st September 1897 one Supervisor will be necessary for

a few months in 1898/99. Estimates are being prepared for

extension of water supply at Trichinopoly & Tanjore. It

is presumed that, when these estimates are sanctioned,

this department will be entrusted with the execution of

the works as has been ordered in the case of Cojeveram.

In that case a Supervisor will be required for these towns

also. I therefore request that Government will be pleased to sanction two Supervisors at Rs150 each a month for one year viz, 1898/99. There will be no expense to Government as these men's pay is eventually recovered from the Municipalities concerned and money is, as Government is aware, already available for Conjeeveram & Tanjore and if Tanjore or Trichinopoly works do not proceed the men will of course not be engaged. I beg that early orders may be passed to allow of the allotment being made in my budget of 1898/99 due on the 15th of October next.

I have the honor to be,
Sir,

Your Most Obedient Servant,

[Signature]
Sanitary Engineer to Government.
