it could not be completed before the close of the year and protracted to 1897-98. Hence the amount was shown under liabilities in note to statement II. If this could not be done the item may be removed from the statement.

Clause (4) - An open place at the foot of the Hill enclosed by hedges was treated as a latrine. It appeared to me much objectionable to treat this as a latrine by the side of the road. Hence the number of latrines was reduced in 1895-96 and 1896-97 from 11 to 10.

Clause (5) - A nil memorandum of investments presented in G. O. No 291 M dated 25th February 1897 is herewith submitted. The memorandum was not submitted with the report as the Municipal Council made no investments.

Clause (6) - The amount of fines levied by the Magistrates for failure to report occurrences of births and deaths was Rs 8 as per details given in para 62 of my letter No 89.

Clause (8) - The number of cases in which persons were committed by the Magistrates for failure to report occurrences of births and deaths was sixteen not seventeen as reported by the Medical Officer.

2. Necessary corrections have been made as advised in clauses 3 and 7 of the Memorandum.
